1131.02 DEFINITIONS.

For the purpose of the Planning and Zoning Code, the following terms shall have the meaning herein indicated. Words, phrases, and terms not defined in this Chapter or other relevant sections of the Parma Heights Codified Ordinance shall be given their usual and customary meanings, except where the context clearly indicates a different meaning.

“Animal grooming” means an establishment where the primary service provided is the cleaning and grooming of domestic pets including bathing, brushing, combing, nail and hair trimming, etc., and where there are no boarding facilities. The facility may also provide services such as obedience classes, training, or behavioral counseling.

“Artisan production/fabrication” means an establishment or business where an artist, artisan, or craftsperson teaches, makes, or fabricates crafts or products by hand or with minimal automation and may include direct sales to consumers. This definition includes uses such as small-scale fabrication but is not limited to, manufacturing, and other industrial uses and processes such as welding and sculpting.

“Artist work or sales space” means a facility that includes working, teaching and/or selling space for one or more artists, artisans, or musicians.

“Assisted living facility” means residential accommodations designed for and intended to be occupied by individuals who require supervision, assistance and health care services or who are otherwise dependent on the services of others by reason of age or physical or mental impairment.

“Body piercing” means the piercing of any part of the body by someone other than a physician licensed under ORC Chapter 4731, who utilizes a needle or other instrument for the purpose of inserting an object into the body for non-medical purposes; body piercing includes ear piercing except when the ear piercing procedure is performed on the ear with an ear piercing gun.

“Brewpub” means a restaurant with an onsite micro production facility that sells 25 percent or more of its product on site.

“Business services” means any activity that renders services to other commercial enterprises.

“Clinic” means a building where human patients are admitted for examination and treatment by a group of physicians or dentists practicing medicine together, but who are not lodged overnight. The term clinic does not include a methadone treatment clinic or facility or substance abuse treatment facility as per the Parma Heights Zoning Ordinance.

“Cultural institution” means a public or private facility that provides for the display, performance, or enjoyment of heritage, history or arts. This includes, but is not limited to, facilities that preserve scientific or artistic objects, including a museum, art gallery, aquarium or planetarium, but does not include movie theaters.

“Day care center” means a commercial facility that provides individuals with care for less than 24 hours per day including, but is not limited to a day nursery, nursery school, pre school, adult day care center, or other supplemental care facility. This term does not include a family day care home, or care that is provided in a residence

“Drive thru facility” means a building, portion of a building or free-standing structure from which business is transacted directly with customers in a motor vehicle during such business transactions. The term drive thru shall also include a drive up or drive in facility, but shall not include a car wash, gasoline station or motor vehicle service station.

“Dwelling unit” means one or more rooms comprising living, dining, sleeping room or rooms, storage closets, as well as space and equipment for cooking, bathing and toilet facilities, all used by only one household.

“Dwelling, attached single family” means one building with three or more dwelling units that are structurally attached and adjacent to one another, each dwelling unit being separated from the adjoining unit or units by a wall without openings or offset extending from the basement floor to the roof. Each such building shall be separated from any other buildings by space on all sides, and have elements such as individual ground floor entrances from the outside, individual utility services and which may contain attached garages.

“Dwelling, multiple-family” means a structure designed and used exclusively for residential purposes with three or more dwelling units where each dwelling unit has an individual entrance to the outdoors or to a common hallway.

“Dwelling, single-family” means a dwelling entirely detached and independent from any other structure, arranged, intended or designed to be occupied by a single family.

“Dwelling, two-family” means a detached building designated for, or converted or occupied exclusively by, two households, living independently of each other, with cooking and toilet facilities in each dwelling unit.

“Dwelling” means any building or portion thereof used exclusively for permanent residential purposes, including single-family, two-family, and multi-family dwellings, but not including a hotel, motel or other transient lodging facility

“Family” means one individual, any number of individuals related by blood, adoption or marriage plus no more than three unrelated individuals, or not more than four unrelated individuals occupying a dwelling unit as their primary place of residence and living as a single housekeeping unit, but not including groups occupying a hotel, motel or other transient lodging facility.

“Group home, large” means a licensed residential facility that complies with the regulations of either ORC 5119.341(B) for residential facilities for 6 to 16 persons with mental health issues or ORC 5123.19(N) residential facilities for 9 to 16 persons with developmental disabilities.

“Laboratory and research facility” means a building or group of buildings for scientific research, investigation, testing or experimentation, but not facilities for the manufacture or sale of products, except as incidental to the main purpose of the laboratory.

“Light industrial” means the assembly, processing, or similar uses which are entirely conducted indoors and are not disruptive of, or incompatible with, surrounding facilities. Light manufacturing and production does not include industrial processing from raw materials.

“Live/work unit” means a building or space within a building used jointly for commercial and residential purposes where the residential use of the space is secondary or accessory to the primary use as a place of work.

“Medical or dental offices or clinic” means a licensed facility for examining and treating patients with medical problems or for oral health on an out-patient basis. A medical clinic is not a methadone treatment clinic or facility or medication maintenance facility or dispensary.

“Medication maintenance facility or dispensary” means a licensed facility that provides out-patient, non-residential counseling of patients and where any form of prescription medication is dispensed to individuals, by a doctor, for use or consumption on-site as opposed to a pharmacy that dispenses prescription medication for use at home. Such use may include, but is not limited to, methadone

treatment facilities licensed by the State of Ohio. Such use shall not include a medical marijuana dispensary or programs consisting solely of support group activities without treatment by licensed health practitioner, such as Alcoholics Anonymous, Narcotics Anonymous and similar programs.

“Micro-production facility, including micro-brewery, micro-distillery, micro-winery” means a small scale facility that produces a limited amount of a ‘craft’ or ‘artisan’ alcoholic beverage, depending on the type of beverage produced, which possesses the appropriate liquor permit from the State of Ohio, and which may sell to the public by one or more of the following methods: the traditional three-tier system (producer to wholesaler to retailer to consumer); the two-tier system (producer acting as wholesaler to retailer to consumer); and, directly to the consumer through carry-outs and/or on-site tasting-room or restaurant sales, depending on the zoning district in which the use is located:

“Micro-brewery” means a facility that produces less than 15,000 barrels (17,600 hectoliters) of beer per year (as defined by the Brewer’s Association).

“Micro-distillery” means a facility that produces less than 50,000 proof gallons per year (as defined by the American Distilling Institute).

“Micro-winery” means a facility that produces less than 10,000 cases of wine per year, where all aspects of production occur within the footprint of the structure.

“Mixed use building” means a building that contains at least one floor devoted to allowed nonresidential uses and at least one devoted to allowed residential uses.

“Permanent cosmetics” means the same as defined in Chapter 773.

“Restaurant” means an establishment that sells food or beverages in a ready-to-consume state, in individual servings, that the customer consumes while seated at tables or counters located in or immediately adjacent to the building in which the use is located, and that may include carry-out service. This includes any portion of an establishment used for seating for the consumption of food on the premises that sells prepared food or beverages, such as a bakery, delicatessen, cafes, and coffee shops, but does not include smoking lounge.

“Retail establishment” means an establishment engaged in the selling of goods or merchandise to the general public for personal or household consumption off-site, which is open to the general public during regular business hours and which has display areas that are designed and laid out to attract the general public, but does not include the sale of marijuana products or smoking lounge. In determining a use to be a retail use, the Planning Commission may consider the proportion of display area vs. storage area and the proportion of the building facade devoted to display windows.

“Setback line” means the line created by the setback established by this Code, generally parallel with and measured from the applicable lot line, as noted herein: the front setback shall be measured from the street right-of-way line, the side setback shall be measured from the side lot line and the rear setback shall be measured from the rear property line.

“Setback” means the required distance between any structure or parking area and the lot lines of the lot or parcel on which the structure or parking area is located.

“Smoking lounge” means a business establishment that is dedicated, in whole or in part, to facilitate the on-site consumption of tobacco products, electronic vaping devices, or other nicotine-enriched substances, including but not limited to establishments known variously as cigar lounges, hookah lounges, tobacco clubs, tobacco bars, etc.

“Tattoo establishment” means the same as defined in Chapter 773.
