DUTY HOURS AND OVERTIME

11.01 The regular members of the Police Department shall be required to serve on a regular police duty as directed by the Mayor and as scheduled for each scheduled period. The schedule period shall be established on the basis that each officer shall serve 160 hours, in 10-hour increments, for each schedule period of 28 days duration. No officer shall be required to remain on regular duty for more than 16 consecutive hours, unless he/she is called upon by the Mayor to respond to an emergency.

11.02 Overtime Pay - Compensation for overtime as defined in this section shall be calculated by multiplying the officers' normal hourly rate of pay or fraction thereof by 1.5 for the number of hours worked in the performance of such duties in excess of 10 hours per day or 160 hours for each scheduled period of 28 days; however, overtime shall not be paid for twice. For purpose of this section, hours paid for vacation, holidays, compensatory time and sick days shall be calculated as time actually worked.

11.03 Compensatory Time – At the option of each officer compensatory hours may be accumulated in lieu of compensation up to a maximum of 300 hours. Said hours will be accumulated at 1.5 hours banked for each overtime hour (or fraction thereof) worked and not compensated. Officers may utilize said bank of overtime hours with the prior approval of the Chief in increments of not less than 2 hours unless the Chief, in his sole discretion, determines some lesser time is appropriate. Officers shall be able to utilize their bank of compensatory time in accordance with the following: Only one Sergeant per shift may exercise the use of comp time if it creates overtime as it relates to supervisory overtime. Comp time use that will create the need for overtime fill-in must be requested at least twenty-four (24) hours in advance; the twenty-four (24) hour advance notice will be waived if the employee is able to secure his/her own replacement. Employees will not utilize comp time or holidays during declared emergency situations or when special events or circumstances would dictate scheduling additional officers on any particular day, as determined by the officer in charge.

All compensatory time banked must be utilized by December 1, with the exception of a maximum of 200 hours, which may be carried over to the next calendar year. Any unused time exceeding 200 hours will be paid in cash by multiplying such hours remaining times the officer's normal hourly rate of pay. The payout of compensatory time remaining unused after 12/1 after any mandatory payout may be requested by the officer; and such requested time shall be paid in cash by multiplying the hours by the officer's normal hourly rate of pay. No compensatory time off may be utilized from December 22 through January 2 of each year.

11.04 When a Police Officer, not on duty, is called in to perform official Police duties prior to his/her scheduled work shift, that officer shall be compensated at the officer's overtime rate of pay for all hours worked on such call-in, but shall not receive overtime pay for less than two (2) hours for the call in. When a Police Officer, not on duty, is called in to perform official duties for a period of time that does not extend into his/her next regularly scheduled work shift, that officer shall be compensated at the officer's overtime rate, at a minimum of four (4) hours.

It is understood and agreed that a call-in at any time whose sole purpose is to sign court documents, shall entitle such officer a minimum of two (2) hours. Official duties or official police duties shall include all duties performed by employees for the Department. The four (4) hour minimum pay stated herein applies each time an officer is called in and shall not be reduced in those cases where an officer is called in more than once during the same four (4) hour callout period.

11.05 Court appearance shall be paid at the officer's overtime rate of pay for all hours involved in the court appearance but the officer shall not receive less than three (3) hours overtime rate of pay for the court appearance. This provision shall not apply if the court appearance shall occur during an officer's normal tour of duty.

11.06 (a) All bargaining unit members that have completed their probationary period shall be allowed to select their shift annually; shift selections will be based on time in grade seniority with the most senior officer of that rank having priority choice. Uniform Patrol Sergeant shift selections will be based on a three (3) shift per day system (6:00 hrs. to 16:00 hrs.; 14:00 hrs. to 00:00 hrs.; or 22:00 hrs. to 8:00 hrs.). Sergeants in the Investigative Unit will be assigned to a shift (7:00 hrs to 17:00 hrs) and not be subject to the bid process as it relates to the Investigative Unit, however, they may bid on a Patrol Unit Shift. The shift selections will take place between October 15th and November 15th of each year, and shift selections resulting in a move from the Investigative Unit to the Patrol Unit must be made by September 15 of each year. The shift selection shall be effective with the first schedule of the new year. There will be only one bid process per year.

(b) Should a vacancy occur on a Uniform Patrol Shift, and the City chooses to fill such vacancy, another member may choose to be moved to the affected shift (such move may not be made if the vacancy occurs less than 90 days prior to the October 15 shift selection process). If no member chooses to fill the affected shift, then the Chief will assign the newly appointed member to that vacancy. If there is no newly appointed member to fill the vacancy, then the Chief may move the member with the least time in grade seniority. This move will remain permanent until a new member in the affected rank is added, or a new bid process occurs. If a new member is added, the affected officer may choose to return to their original assignment.

(c) Only sergeants regularly assigned to a patrol shift shall fill a temporary absence in the patrol unit, unless no patrol sergeants are available. However, if such temporary absence is in excess of ninety (90) days, the Chief may temporarily move a non-patrol unit sergeant to cover the absence.

UNIFORM ALLOWANCE

12.01 Each regular full-time Sergeant or Captain shall be entitled to a uniform allowance of Seven Hundred Fifty Dollars (\$750.00) yearly payable in equal amounts of Three Hundred Seventy-Five Dollars (\$375.00) on the closest pay to February 1 and August 1 of each calendar year. No member of the Police Department shall be entitled to a uniform allowance during the period of probation as defined in Section 19.01 of this Agreement. Any new member of the Police Department completing their probationary period after August 1 or February 1 of any six (6) month period and prior to the next semi-annual payment date, shall receive an amount equal to the amount of the semi-annual payment divided by 6 and multiplied by the number of full months elapsing between the date of completion of such probation and the next semi-annual uniform allowance payment date.

12.02 Each newly hired member of the Police Department will be furnished at the City’s expense, new uniforms, and leather gear and safety equipment in accordance with Exhibit “A” attached hereto.

12.03 All contaminated uniforms rendered unusable with bodily fluids or by damage (not regular wear-and-tear) shall be replaced at the City’s expense. In the event that the City requires any changes in uniforms, leather gear or safety equipment, the City will furnish all officers, at its expense, the first issue of said newly required uniforms, leather gear or safety equipment. In addition, the City will furnish, up to a maximum expense of \$1450, soft-body armor replacements that comply with NIJ Ballistic Resistance Standard-0101.06 to all officers no later than the expiration date cited by the manufacturer.

12.04 In order to assist the members of the Police Department in maintaining and replacing leather gear and safety equipment required for use while on duty, the City agrees to pay a safety equipment maintenance allowance of \$750.00 per year payable in equal amounts of \$375.00 on the closest pay to February 1 and August 1 of each calendar year. Members of the Police Department shall not be entitled to a maintenance allowance during the period of their probation as defined in Section 19.01 of this Agreement. Any new member of the Police Department completing his/her probationary period after August 1 or February 1 of any six (6) month period and prior to the next semi-annual payment date, shall receive an amount equal to the amount of the semi-annual payment divided by 6 and multiplied by the number of full months elapsing between the date of completion of such probation and the next semi-annual maintenance allowance payment date.

LONGEVITY PAY

16.01 Additional compensation for continuous, full-time employment, which shall be entitled “Longevity Pay”, which shall be paid for each calendar year at the first pay period in December of that calendar year. The rate of longevity pay to which an employee shall be entitled in any calendar year shall be computed in accordance with the following schedule:

<u>Years of Continuous, Full-Time Employment Completed as of the Anniversary Date of Employment</u>	<u>Rate of Longevity Pay Per Month</u>
0-4	\$ -0-
5	\$ 20.83
10	\$ 41.66
15	\$ 62.50
20	\$ 83.33
25	\$104.16
30	\$125.00

The amount of longevity pay to which an employee is entitled in a calendar year shall be computed by multiplying the number of months in said calendar year preceding and subsequent to his/her anniversary date of employment in that year by the applicable rate or rates of monthly longevity pay based upon the number of full years of continuous, full-time employment completed in that year as determined in accordance with the above schedule.

JURY DUTY COMPENSATION

17.01 Each regular, full-time employee of the Police Department shall, if called for Jury Duty, receive their regular compensation during the time spent in the capacity as jurors less the amount paid them by the court of such duty as jurors.

SICK LEAVE

18.01 Each regular full-time employee of the Police Department shall be entitled to 4.6 hours of sick leave for every eighty (80) hours of regularly scheduled employment. Unused sick leave shall be cumulative up to a maximum total of 1,750 hours. (Note: for purposes of this contract any catastrophic leave hours on record as of December 31, 2002, will be converted to regular sick leave hours subject to maximum accumulation limits of this section.) Sick leave accrued under prior contracts shall remain in effect and sick leave days accrued as of December 31, 1993, shall be converted to hours at the rate of eight (8) hours per each day accrued. Payment for sick leave, at the rate of one (1) hour for every hour of sick leave absence, shall be made only when approved by the Director of Public Safety, who may require the employee to furnish a satisfactory, written, signed statement to justify the use of sick leave, and in the case of sick leave absence in excess of two (2) days, shall require certification as to the nature of illness or injury from the employee's physician or the Police Surgeon.

Absences due to service-connected injuries will not be charged against employee's accumulated sick leave so long as it does not exceed the employee's attending physician's and/or Police Surgeon's prognosis as to employee's ability to return to employment. Once employee has returned to assume normal duties, following absence due to service-connected injury, subsequent absences, alleged as being due to service connected injury, will be charged against employee's accumulated sick leave unless excused by employee's attending physician's and/or Police Surgeon's certificate. In case of disagreement between physicians, the certification of a third (3rd) physician will be required.

An employee may use a portion of his/her accumulated sick leave for funeral arrangements and services for his/her spouse, child, parents, mother-in-law, father-in-law, grandparents, grandparents-in-law, sister, brother, sister-in-law, brother-in-law, grandchildren, stepparent, step-sister, step-brother, aunt, uncle, cousin, niece, and nephew. Funeral leave so utilized shall not be so charged as to reduce employee's sick leave incentive.

Police Department employees shall be paid an incentive for conservation of annual sick leave allowances as follows:

<u>Unused Sick Leave Hours</u>	<u>Incentive Payment-Hours</u>
120	30 Hrs.
110	28 Hrs.

	100	26 Hrs.
	90	24 Hrs.
	80	22 Hrs.
	70	20 Hrs.
	60	18 Hrs.
	50	16 Hrs.
	40	14 Hrs.
	30	12 Hrs.
	20	10 Hrs.
Less than	20	-0-

Hourly rate to be paid will be that in effect as of December 31st in the year in which the sick leave hours are accumulated. The hourly rate as defined for purposes of calculating the sick leave conservation payment shall be the total of the officer's annual rate of pay as defined in section 10.01 and the employee's longevity payment for that year divided by 2080 hours. Payment is to be made concurrent with the second payroll of February following the year in which sick leave days were accumulated. Such incentive will in no way diminish an employee's sick leave accumulation.

At the time of retirement from active duty with the City or death of the employee, the employee, or the employee's estate, will be paid in cash for (60%) of the value of his/her accrued, but unused, sick leave credit. Such payment shall be based on the employee's rate of pay at time of retirement or death. (Retirement to be as defined in Police and Fireman's Disability and Pension Fund Regulations). Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made only once to any employee. The maximum payment which may be made shall be (60%) of Twelve hundred (1200) hours. The formula for computation shall be:

$$\frac{\text{Annual Rate} \times (\text{Accumulated Hours} \times 60\%)}{2080}$$

(Note: Annual rate of pay shall be defined as the total of the employee's annual base pay rate as defined in section 10.01 and the employee's longevity payment for that calendar year.)

The incentive for conservation of annual sick leave shall be pro-rated and paid for the portion of the year in which separation, by death or retirement, of an employee of the Police Department shall occur.

Employees with accumulated sick leave may use one hundred and four (104) hours of such leave as "personal health" days per calendar year at the discretion of the employee to be charged against accumulated sick leave. Such personal health hours shall be used in minimum increments of one (1) hour and may not be used if it incurs overtime, unless otherwise approved by the Chief of Police. "Personal health" days so utilized shall not be so charged as to reduce the employee's sick leave incentive.

18.02 Covid Leave Policy Any member who exhibits recognized symptoms of Covid whether on duty or off duty, will be subject to the following policy:

A) Any member who exhibits recognized symptoms of Covid while on-duty shall immediately notify the OIC and be transported to University Hospital Parma. The member will then be placed on sick leave.

B) Any member who displays recognized symptoms of Covid while off-duty shall report the illness to the Chief of Police and then report to University Hospitals in Parma for immediate testing. If symptoms continue into the next regular shift, and the test results have not been returned, the member shall remain on sick leave.

C) If the test results are negative the member will be paid from sick leave accumulation for all time off.

D) If the test results are positive the member will be placed on "Covid Leave". A member on Covid Leave will be paid the regular hourly wage until determined by a physician to be no longer contagious.

E) If the test result is positive any sick time used for testing and awaiting results would be replenished, and lost time charged to "Covid Leave."

F) The City of Parma Heights retains the right to have the affected member examined or tested by a Physician or at a medical facility of its choosing.

18.03 ON DUTY INJURY LEAVE: Whenever an Employee is injured while on duty, the Employee is entitled to on duty injury leave pay provided the Employee reports such injury to the Chief, Assistant Chief or Shift Supervisor during or by the end of the shift during which the injury occurred or no later than seventy-two (72) hours after the end of the Employee's shift by completing an OSHA 101 form; it will be the responsibility of the Chief, a Captain or a Unit Supervisor to whom the injury was reported to file the form.

A) The first report of an injury shall be made to a medical provider appointed by the City or the Parma Hospital Emergency Room or MetroHealth Hospital Emergency Room as soon as practicable but no later than two (2) days after the injury is reported to the Supervisor. In the event of an on-duty injury occurring outside of the City of Parma Heights that is serious enough to require emergency care, such first report of injury may be made at the closest emergency medical facility. The City appointed medical provider, or the emergency room doctor must within forty-eight (48) hours of the initial medical examination certify to the Personnel Office that the Employee is unable to work due to the reported injury as a condition precedent to the Employee receiving on duty injury pay. This shall be the only time that the employee shall be required to be examined by this provider or the emergency room. In instances where an Employee reports an injury or incident by completing an OSHA 101 form within seventy-two (72) hours after the

shift the injury or incident occurred, but the Employee does not require immediate medical attention; the first report of injury to a medical provider as detailed in this section shall be made by the Employee within fourteen (14) days after the injury or incident was reported.

B) At all times, the Employee retains the right to seek a medical examination from a medical doctor of their choosing. Medical evidence shall be provided in writing to the Employer within a reasonable period (no more than fourteen (14) days after the Employee has reported the injury to a medical provider as detailed in Section 1) by the Employee's treating medical doctor, establishing: (a) the cause and nature of the injury (b) the extent of the injury (c) the likelihood of the term disability (d) the medical probability of full recovery and eventual return to work. In addition, the Employee's medical doctor shall complete and submit to the Employer a BWC Medco-14 Physician's Report of Work Ability form within 14-days of seeking medical attention. Forms will be available at the Personnel Office and the Police Department. After the initial filing of the workability report, such workability reports will be required to be submitted to the Personnel Office no less than once every thirty (30) days. In order for the Employee to remain on on-duty injury leave, the Employee's physician must complete the BWC Medco-14 form in its entirety. In the event the BWC Medco-14 form is received by the Personnel Office in an incomplete manner, the Personnel Office will contact the injured Employee instructing him to take the form back to the doctor for completion. The injured Employee will have two (2) working days from the point of being contacted by the Personnel Office to return the completed form to the Personnel Office.

C) Only the Personnel Director, on behalf of the City, and the City's BWC Third Party Administrator, shall make inquiries to the Employee's medical doctor or the BWC representatives and MCO in regard to the Employee's injury or status. The Employee may review all records concerning correspondence between the City, the medical doctors, and the Ohio Bureau of Workers' Compensation representatives and MCO, which are maintained in the personnel office, relating to the Employee's injury.

D) At any time, the City may request a medical opinion by a City appointed medical doctor who practices in the Employee's type of injury. In the event that there is a disagreement between the City's medical doctor and the Employee's medical doctor regarding the Employee's ability to work due to the injury, return to work status, or light duty eligibility, the certification of a third medical doctor is required. The City shall select a third medical doctor from a list of BWC physicians certified to practice in the Employee's type of injury; said list to be mutually agreed upon between the City and OPBA. The third medical opinion shall be a final and binding decision as it relates to this section.

E) An approved absence due to injury on the job will not extend beyond two hundred seventy (270) calendar days. If necessary, an injured Employee may petition the On Duty Injury Review Board for an extension of the on duty injury leave. Such extension, while made at the sole discretion of the On Duty Injury Review Board, shall not be unreasonably denied. The On Duty Injury Review Board shall be comprised of

two members representing the City, two OPBA Local members representing the injured Employee, and an Arbitrator. The Arbitrator shall be selected from a panel to be provided by the Federal Mediator and Conciliation Service or SERB. The Arbitrator shall be present during deliberation of the Board and shall render a binding decision upon the parties in the event of a deadlock between the City and the OPBA Local members of the Board. The cost of the Arbitrator shall be shared equally by the City and the OPBA. If an Employee exhausts the on-duty injury leave as described in this section, the Employee retains the right to seek wage continuation benefits available through the Ohio Bureau of Workers' Compensation and other benefits.

F) The Employee is not entitled to collect on duty injury pay under this section while employed by an employer other than the City of Parma Heights unless the Employee is on Light-Duty assignment, in which case, Section 8 of the Light-Duty Assignments Article will apply.

G) If an employee is denied on duty injury leave benefits under this Article, the Employee retains the right to seek wage continuation benefits through the Ohio Bureau of Workers' Compensation.

H) All medical expenses incurred due to requirements of the City mandated examinations and certifications as indicated in Section 2 of this Article will be the burden of the City if not paid by Ohio BWC or the City furnished medical plan. In addition, medical costs associated with efforts to amend the injury as originally approved by the Ohio BWC will not be paid by the City.

I) An employee who exhausts all ODI leave under this article and has applied for wage continuation benefits through the Ohio BWC shall be eligible to receive coverage under the City Medical Insurance under the following conditions:

- The employee shall file for a disability retirement through the Police & Fireman's Disability & Pension Board within 30 days of the date at which ODI leave is exhausted. Such proof of filing shall be submitted to the City Finance Director.
- Continuation of medical coverage shall be available for a period of up to nine (9) months from the date upon which ODI leave is exhausted or until wage continuation with the BWC or Disability Pension is ruled upon, whichever is later.

J) This section shall apply to all on duty injuries that occur on or after January 1, 2006.

18.04 LIGHT-DUTY ASSIGNMENTS:

A) The City reserves the right, at its sole discretion to assign an Employee to light-duty status consistent with the medical certification contained within the BWC Medco-14 Work Ability Report. The Police Chief will determine light-duty functions to

be incorporated into the Light-Duty Assignment Certification Form, which will be attached to and submitted with the BWC Medco-14 form to the medical doctor to assist the doctor in certifying eligibility for light-duty status. Light-duty assignments shall be made in writing to the Employee.

B) In the event that there is a conflict between the Employee's medical doctor and the City's medical doctor regarding medically appropriate assignments, a third medical doctor specializing in the injury will determine the Employee's physical ability. Said third medical doctor shall be selected from a mutually agreed upon list pursuant to the selection process outlined in Section 4 of the On Duty Injury Leave Article.

C) It is expected by the City that work ability forms will only be compiled by the medical doctor based on a current medical examination of the injured Employee. The Employee shall receive a copy of all forms generated from such examinations.

D) The Employee shall, at the option of the Chief of Police, be scheduled for light-duty assignment either on his regularly scheduled shift or on day shift, Monday through Friday. The Police Chief will assign the specific light duty activities consistent with the Light Assignment Duties Certification. The injured employee will not count toward minimum manning until returned to full duty. Light duty assignment will be available during the period of on duty injury leave and extension when granted by the Medical Review Board.

E) The employee shall be permitted to schedule physical therapy appointments and to carry-out physical therapy workouts at the Police Station while on the light duty assignment. Scheduling such therapy rehabilitation activities shall be coordinated with the Police Chief.

F) While on light-duty status the employee may take or bank scheduled holiday or vacation time that occurs during the period of light-duty assignment. Use of such vacation time shall cause the 270-day on duty injury leave period to be extended by a number of days equal to the number of vacation days but not to exceed one week. Vacation time taken in excess of one week shall count as part of the 270-day on duty injury leave period.

G) Failure of the Employee to accept the light-duty status on the date specified will cause the on-duty injury leave to terminate. Injury leave subsequent to such refusal to accept a light-duty assignment will be charged against the Employee's accrued personal leave time except the order in which this time will be charged will be at the Employee's preference. (Note: this means that the Employee may designate his accumulated sick time be charged before his vacation, holiday or comp time leave is charged, as an example.)

H) While on light-duty assignment the Employee may be employed by an employer other than the City, provided such employment is consistent with his/her medical certification and provided such light-duty assignment does not exceed thirty (30)

calendar days. If such light-duty assignment exceeds thirty (30) calendar days, Section 6 of the On Duty Injury Leave Article shall apply.

PROBATIONARY PERIOD

19.01 Any Police Department employee upgraded to a higher rank pursuant to the rules and regulations of the City shall serve a probation period of six months from the effective date of the upgrade. During the probationary period, reduction to the employee's original rank shall not be subject to arbitration.

SENIORITY

20.01 Only regular full-time employees of the Police Department shall have seniority. A new employee shall have no seniority during the employment probationary period set forth in Section 19.01 of this Agreement, but upon completion of the probationary period set forth in Section 19.01, seniority shall be retroactive to the employee's last date of hire. Employees with the same employment date shall be assigned to the seniority list in the order of their ranking on the Civil Service Eligibility List.

20.02 Seniority for preference purposes, including but not limited to shift preference, days off preference and holiday preference, shall mean an employee's uninterrupted length of continuous service with the City as a sworn police officer for those officers promoted to their current rank. Employees promoted or demoted will receive seniority for the above-mentioned preference purposes based on "time in grade". "Demoted" includes involuntary or requested demotions. "Time in grade" is the length of uninterrupted time an employee spends in any given rank. Time in an employee's rank is not considered interrupted if an employee is demoted prior to completing the probationary period described in 19.02. Seniority for purposes of benefit entitlement, including but not limited to length of vacation, vacation preference and longevity pay, shall mean an employee's uninterrupted length of continuous service with the City. Seniority for the purposes of job protection entitlement, including but not limited to layoff and recall, shall mean an employee's uninterrupted length of service with the City as a sworn police officer.

20.03 Continuous service and seniority shall be broken when an employee:

- A. Quits, resigns or retires;
- B. Is discharged for just cause;
- C. Is laid-off for twenty-four (24) consecutive months except that employees with five (5) or more years of seniority at the time of lay-off will have their continuous service and seniority broken if laid off for thirty-six (36) consecutive months.

- D. Fails to report to work within ten (10) calendar days when recalled from lay-off by certified mail addressed to the employee's last known address as shown on City records.

PERSONNEL LAY-OFF AND RECALL

21.01 When it becomes necessary in the Police Department, through lack of work or funds, or for causes other than those outlined in Section 124.37 of the Revised Code, to reduce the force in such department, the youngest employee in point of service shall be first laid off. Such reduction in force shall not occur unless and until all part-time, seasonal, auxiliary and temporary police officers have been laid off. In the event full-time police officers are subject to layoff, no part-time, seasonal, auxiliary officers and temporary police officers shall be re-called until such time as all laid off full-time police officers have been offered re-employment and/or re-hired. During the time period of such layoff of part-time, auxiliary, seasonal and temporary police officers, members of the bargaining unit agree to perform the duties of such laid off non-bargaining unit officers as part of regular duty hours at their straight time hourly rate; unless work conditions require overtime compensation, as approved by the Police Chief or his designee. If lay off(s) of a member of the bargaining unit becomes necessary, the City agrees that no funds will be used for any auxiliary police expenditures, including but not limited to pay, until such time the member is called back and reinstated. Should a position in the Police Department once abolished or made unnecessary be found necessary to be recreated or re-established within two (2) years from the date of abolishment, or should a vacancy occur through death, resignation, or any other position or layoff, the oldest employee in point of service of those laid off shall be entitled to the position, providing he/she was, at the date of his/her separation, a regular and permanent employee; however, in the event that the oldest employee in point in service of those laid off had five (5) or more years of seniority at the time of his/her separation, said oldest employee shall be entitled to the position for a period of three (3) years from the date when abolishment or vacancy occurs.

DISCIPLINE

22.01 The City reserves the right to discipline for just cause. Any disciplinary measure involving suspension or discharge from employment are subject to the grievance procedure set forth in this agreement beginning at Step 2. Any written reprimands or warnings will be subject to the grievance procedure as contained in this agreement except that such written reprimands and warnings will not be subject to arbitration. Disciplinary hearings or interviews requested as part of the disciplinary process will be conducted at hours reasonably related to the Employee's shift unless operational necessities require otherwise. Participation in such hearings or interviews outside of normal shift hours will be subject to the minimum call-in provision of §11.04 of this contract. Where practicable, notices of hearings/interviews will be given at the workplace.

22.02 The City shall be prohibited from invoking discipline unless such disciplinary charges are initiated within sixty (60) days of the City's discovery of the incident or

conduct giving rise to the intended discipline. If the incident giving rise to the discipline is also the subject of a criminal investigation, disciplinary charges must be filed within 60 days after criminal charges are filed in a court with jurisdiction over the incident, or within 60 days after the City is notified that the investigation is complete.

22.03 Any record of a complaint against an employee that is determined to be groundless within thirty (30) days will be removed from the employee's personnel file but will be maintained in a separate location.

22.04 Any written reprimand or warning will not be considered by an arbitrator for any purpose more than one (1) year beyond the date on which said discipline was issued if the employee has not subsequently within said one-year period been disciplined for the same offense.

Any record of discipline involving a one (1) day suspension will not be considered by an arbitrator for any purpose more than two (2) years beyond the date on which said discipline was issued, if the employee has not subsequently within said two-year period been disciplined for the same offense.

Any record of discipline involving suspensions greater than one (1) day will not be considered by an arbitrator for any purpose more than five (5) years beyond the date on which said discipline was issued, if the employee has not subsequently within said five-year period been disciplined for the same offense.

22.05 The City will provide an employee with a copy of any citizen's complaint within five (5) business days of its receipt by the Chief, provided however, the City may refrain from turning over such report in the event that the disciplinary incident is also the subject of a pending criminal charge. Complaints made by a civilian that are not in writing and result in disciplinary action against the employee shall be put in writing by a supervisor. All unfounded civilian complaints shall be kept in a file separate from the employee's personnel file. The City will provide a complete copy of the investigation to the affected employee, at no cost, upon the investigation's completion unless the investigation contains an element of criminal conduct in regard to the affected employee.

GRIEVANCE PROCEDURE

23.01 A grievance is a dispute or controversy arising between the parties concerning the interpretation or application of some specific and express written provision of the agreement. The Union and its representatives shall have the right to present grievances in accordance with the procedures herein provided, free from any interference, coercion, restraint, discrimination or reprisal. It is the intent of both parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure. For purposes of definition a "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays, or holidays declared by the City.

When a grievance arises, the following procedure shall be observed:

GENERAL STIPULATION: The grievance should identify the time and location where the incident giving rise to the grievance took place and state the provision(s) of the Collective Bargaining Agreement implicated by the events, as well as the remedy sought.

Informal Step. An employee who has a grievance may discuss it informally with his/her immediate supervisor, either alone or accompanied by his/her Union representative

Step 1. If a grievance is not satisfactorily settled at the Informal Step, the grievance shall be reduced to writing and signed by the grievant and submitted to the Chief of the Police Department within ten (10) days after the grievant learned or should have learned of the event upon which the grievance is based. The written grievance must set forth the facts upon which it is based, the date and time of its occurrence, the Agreement provision upon which the grievance is based, the name of the employee involved, and the relief requested. The Police Chief shall give a written answer within ten (10) days after the receipt of the grievance.

Step 2. If the grievance is not satisfactorily settled in Step 1, the Union may appeal in writing to the Mayor within ten (10) days after the Step 1 response. The Mayor, together with such representatives of the City as the Mayor deems appropriate, shall then meet with a representative or representatives of the Union and the grievant to consider the grievance. The Mayor will answer the grievance in writing within ten (10) days following completion of the Step 2 discussion.

Mediation. The Union may request FMCS mediation of any grievance not resolved at Step 2. The request must be made within ten (10) days after the Step 2 response is issued. The City has ten (10) days to respond to the request for mediation. If the City declines mediation, the Union must file a notice of intent to arbitrate within thirty (30) days as stated in the Arbitration Step below. If the City agrees to mediate the grievance, the time for appealing to arbitration is extended to ten (10) days after mediation is complete.

Arbitration. If the grievance is not satisfactorily settled in Step 2 or grievance mediation, the Union may appeal the grievance within thirty (30) days by filing a demand in writing with the City to submit the matter to final and binding arbitration. The parties will select an arbitrator from the following panel by the alternate strike method, with the City striking first in discipline cases and the Union striking first in contract interpretation cases.

1. Robert Stein
2. Tom Nowel
3. Dan Zeiser
4. James Mancini
5. Dennis Minni

The arbitrator's authority shall be limited to interpretation and application of the terms of this Agreement, and he/she shall not have any authority to add to or subtract from or modify in any way the provisions of this Agreement. The arbitrator shall not make an award in conflict with law or pass upon issues governed by law. The costs of the arbitration shall be shared equally by the Employer and Union.

Any grievance which is not presented in the time schedule set forth above shall be considered settled in accordance with the last answer of management and shall not be arbitrable. Any grievance not answered by management within the timetable set forth above shall be deemed rejected and will be advanced to the next step of the grievance procedure upon a timely filing of an appeal by the Union in accordance with the provisions of this Agreement.

LABOR/MANAGEMENT

24.01 In the interest of sound labor/management relations, it is hereby established a labor/management committee consisting of not more than three (3) employee representatives of the union. The names of the representatives so selected shall be certified in writing to the Chief of Police and the City. Unless mutually agreed otherwise, once each quarter on a mutually agreeable day and time, the Chief and/or other City representatives shall meet with the labor/management committee to discuss pending problems and to promote a more harmonious labor/management relationship. Neither party shall have the right to be accompanied by an attorney unless agreed otherwise.

24.02 An agenda will be furnished at least five (5) working days in advance of the scheduled meetings with a list of the matters to be taken up in the meeting, and the names of those union representatives who will be attending. The purpose of such meetings shall be to:

- A. Discuss the administration of this Agreement;
- B. Notify the union of changes made by the Chief which affect bargaining unit members of the union;
- C. Discuss grievances which have not been processed beyond the final step of the grievance procedure when such discussions are mutually agreed to by the parties;
- D. Disseminate general information of interest to the parties.
- E. Discuss ways to increase productivity and improve efficiency;
- F. To consider and discuss health and safety matters relating to employees; and
- G. To consider recommendation for changes from the union in the Standard Operating Procedure, Rules and Regulations.

24.03 It is further agreed that, if special labor/management meetings have been requested, and mutually agreed upon, they shall be convened as soon as feasible.

24.04 Employee representatives who are scheduled to be at work during the time of this meeting shall receive no loss of pay. It is further agreed that any employee on duty may be required to return to work if an emergency arises during this meeting.

LEGALITY

25.01 It is the intent of the City and the Union that this Agreement comply, in every respect, with applicable legal statutes, and charter requirements, and if it is determined that any provision of this Agreement is in conflict with law, that provision shall be null and void and shall not affect the validity of the remaining paragraphs of the Agreement. In the event of an unlawful determination, the City and the Union shall meet within thirty (30) days for the purpose of negotiating a lawful provision.

DURATION

PARMA HEIGHTS POLICY FOR IMPLEMENTATION OF DRUG/ALCOHOL TESTING

PURPOSE

The purpose of the policy is to provide Members of the Ohio Patrolman’s Benevolent Association (OPBA) Sergeants/Captains with the City of Parma Heights’ position regarding alcohol and drug usage situations. The intention of the City is to provide a safer work environment, to improve an employee’s health and job performance when affected by the abuse of alcohol or drugs, and to provide guidelines for the consistent handling of alcohol and drug related situations throughout the City of Parma Heights. From this point forward, the City of Parma Heights shall be known as “the City” and the members of the OPBA Sergeants/Captains Local shall be known as “Employees”.

POLICY

1. Use of Alcohol and Drugs

- a. Employees shall not possess, while on duty, any unsealed receptacle containing an alcoholic beverage nor shall any employee sell or use an alcoholic beverage while on duty, except that police officers may do so in the performance of police duty.
- b. Employees shall not possess, sell or use illegal drugs nor abuse prescription drugs at any time, provided that members of the Police Department may be in the possession of illegal drugs while on duty if such possession is incidental to their official duty.
- c. Employees shall not work or report to work under the influence of alcohol or illegal drugs, nor under the influence of prescription drugs except as provided in Item 1(d) below.
- d. Employees must report in writing to their supervisors when they are experiencing a reaction to a prescription or over-the-counter drug which may affect their ability to do their job. The purpose of this report is to protect workers while taking medication from being wrongfully suspected of using illegal prescription drugs.
- e. Possession of drugs and/or open containers of alcohol in the workplace by an employee, outside the scope of their employment, or being under the influence of alcohol as defined in Item 3 (I), or under the influence of an illegal drug during working hours constitutes grounds for immediate disciplinary action.

2. Drug Dependency Treatment

- a. Employees are urged to request assistance with any drug or alcohol problem before disciplinary action is necessary. If an employee advises the City of a drug/alcohol problem, the employee will be urged to receive counseling and, if necessary, will be permitted to take a leave of absence not to exceed six (6) months from the last day of work in order to receive the recommended treatment. If so, the leave provisions of Item 4 will apply. However, a drug/alcohol related problem will not excuse any violation of City rules.
- b. Alcoholism and chemical dependencies are treatable. Employees covered by City sponsored health insurance have limited coverage for treatment of alcoholism and chemical dependency. Any costs associated with treatment that are not covered by insurance will be the responsibility of the employee.
- c. Covered employees will be entitled to utilize the Employee Assistance Program (EAP), Synopsis attached which is Exhibit "C", at no cost to the Employee. Employees may utilize the EAP pursuant to Item 2 (a) and may utilize the EAP as part of its response to a positive test result.

3. Testing Procedure

- a. Drug and/or alcohol screens will be conducted in the following instances:

Drug and/or alcohol screens shall be required of all potential employees. The City does not hire applicants who test positive because being under the influence of drugs or alcohol is likely to affect job performance.

All applicants shall be informed in writing of the City's substance abuse policy and substance abuse screening procedure. This information will include:

- i. A request to sign the "informed consent" form for substance abuse testing, which includes notice that the results of the testing will be provided to the City.
 - ii. Notice that failure to consent to the test will result in the remainder of the pre-employment examination not being completed and rejection of the applicant.
- b. When, in the opinion of the supervisor, as corroborated by a non-supervisory employee, there is reasonable suspicion that an employee is using or possessing illegal drugs or alcohol or is abusing a prescription drug at work or is working or reporting to work under the influence of illegal drugs, alcohol, or an abused prescription drug, that employee will be required to consent to a drug and/or alcohol test immediately. Employees that purposely make false accusations in

reference to violation of this policy shall be subject to appropriate disciplinary action.

All members of the bargaining unit shall receive proper training on the correct procedures to ascertain when probable cause exists.

- c. Emergency alcohol testing will be performed at the testing facility using medically accepted methods of analyzing urine specimens or administering a Breath Alcohol Test.

If a breath alcohol test is at or about acceptable limits defined in Item 3 (I), the Employee may request to a breath alcohol test taken at the Parma Heights Police Department or another law enforcement agency using standard procedure in the collection of this specimen. Split samples will be provided for urine in the event that an employee tests positive. This is done so that a second test may be given at a separate facility if requested by the Employee.

- d. Any time an employee is requested to take a drug and/or alcohol test, the employee will be required to sign an authorization form permitting the testing facility to conduct the test and release the results to the Medical Review Physician. Refusal to sign the authorization form or to submit immediately to a requested drug/alcohol test will be considered insubordination and will subject the employee to appropriate disciplinary actions, as long as disciplinary action is initiated within five (5) working days of the refusal. It is anticipated that any alcohol and/or drug tests will be performed by the testing facility. Each employee has the right to have his/her own additional tests taken at his/her expense, except that if the employee is determined not to have violated this policy, the City will reimburse the Employee for the cost of those test(s).
- e. Testing for alcohol and/or drugs will also occur in the following situations:
 - i. When the testing is performed as part of a follow up to counseling or rehabilitation for alcohol or drug abuse.
 - ii. When an employee volunteers to be tested.
 - iii. If there is probable cause to believe that an employee is under the influence of alcohol/drugs.
- f. All drug screen samples will be taken and tested according to NIDA procedures and standards at a licensed accredited medical facility, sealed, and properly identified. Testing will be conducted by a certified laboratory and test results will be treated confidentially. Results will be distributed only on a need-to-know basis to the extent necessary to protect a legitimate interest of the City.

- g. Positive drug screen results will be confirmed by Gas Chromatography/Mass Spectrometry (GC/MS) or another medically accepted testing method.
- h. Drugs being screened in accordance with NIDA standards will include these related drugs:

Drug Name Street Name	Initial Screening	Conformation (GCMS)
Amphetamines (uppers, bennies, speed, etc.)	1000 ng/ml	500 ng/ml
Cocaine (snow, crack, flake, coke, etc.)	300 ng/ml	150 ng/ml
Opiates (heroin, codeine, methadone, smack)	300 ng/ml	300 ng/ml
Cannabinoids (marijuana, hashish, THC, etc.)	50 ng/ml	15 ng/ml
Phencyclidine (PCP, angel dust)	25 ng/ml	25 ng/ml

- i. The acceptable tolerance level for Blood Alcohol Concentration (BAC) for all full-time as well as part-time members of this bargaining unit, shall be less than 0.04 for all positions. The tolerance level shall be determined by the normal testing procedures conducted by the contracted hospital, or in accordance with Section 3 (c).
- j. Removed.
- k. The employee will receive a copy of any test(s) results required by this policy, whether or not there is a positive test result(s).
- l. The laboratory will advise the employee and the Medical Review Physician of any positive results. The results of a positive drug or alcohol test can only be released to the City by the Medical Review Physician once he/she has completed a review and analysis of the laboratory's test. The City will be required to keep the results confidential, and it shall not be released to the public.

4. Rehabilitation and Counseling

- a. Any positive test results (except for acceptable limits of alcohol or if a test is positive for a drug that is prescription with corroborating physician's note) will result in the employee being relieved from duty, pending a disciplinary hearing to be held within five (5) working days of the City receiving the positive test results.
- b. In the case of a positive test result, the employee shall seek professional help for a drug/alcohol related problem. If the treatment requires that the employee not work for a specific period of time, the employee will be considered on leave of absence as provided for in 4 (c) herein. This leave may be conditional upon

receipt of reports that the employee is cooperating and making reasonable progress in the treatment program. In addition, this leave is conditioned upon employee entering an appropriate treatment program as soon as possible.

- c. Within forty-five (45) days of entering the treatment program, the employee must provide satisfactory medical evidence that he/she has completed the requirements of the program and must pass another drug/alcohol screen provided by the City. This time limit can be extended only based on medical or scientific evidence that a longer time is justified. No period longer than six (6) months total from the date of the original positive test result will be permitted. Failure to meet these conditions will result in termination of employment. Accrued sick leave up to a maximum of six (6) months, and accrued vacation may be used for this leave. Otherwise, this leave will be unpaid.

Treatment programs acceptable to the City under this policy are those provided by facilities that are accredited by the Joint Commission on the Accreditation of Hospitals and/or licensed through an appropriate state licensing agency.

- d. The City will require written verification that an employee is participating in or has completed a treatment program.
- e. Any employee who has returned to work is subject to re-testing as otherwise provided in this policy, and if he/she fails the re-test, shall be discharged. As a condition of being allowed to return to employment, an employee will be required to submit to six (6) unannounced drug/alcohol tests for a period up to one year after returning to work.

5. Disciplinary Action

- a. Any employee who is in possession of an open or unsealed receptacle containing an alcoholic beverage or sells or uses alcohol while on the job shall be subject to appropriate disciplinary action, except members of the Police Department may be in the possession of or use alcoholic beverages while on duty performing official duties in the scope of their employment with the consent of a commanding officer.
- b. Any employee who is in the possession of, sells, transfers or uses illegal drugs, while on duty, or sells prescription drugs at any time shall be subject to immediate discharge; provided, however, that members of the Police Department may be in the possession of illegal drugs while on duty if such possession is incidental to their official duty and is done with the consent of a commanding officer.
- c. Any employee who works or reports to work under the influence of alcohol as defined, or illegal drugs shall be immediately relieved from duty by the Officer in Charge (OIC) until a disciplinary hearing is heard within at least five (5) working days of the City's notification of this violation of policy. This includes prescribed and over-the-counter drugs not reported to a supervisor as required by Paragraph 1 (d) above. The type and severity of discipline will depend on all the

circumstances, including nature of substance, employees' explanation, and willingness to enter a rehabilitation program if treatment is appropriate.

- d. Refusal to sign the authorization form associated with a drug/alcohol test or refusal to take a requested drug/alcohol test immediately is considered insubordination and shall be subject to appropriate disciplinary action.
- e. Anyone involved in the trafficking or possession of illegal drugs or prescription drugs, whether on or off City premises, and not within the scope of duty will be subject to appropriate disciplinary action.

6. Appeal

- a. The employee will have the opportunity to discuss the positive test results as defined in Section 4 (a), with the City and Medical Review Officer, and may be represented by counsel of his choosing. Included in such affirmative defenses would be claims of legitimate prescription use or over the counter medications as long as used according to instructions related to dosage. The employee may also submit results of any other tests the employee may have relevant to any positive test(s) result(s).
- b. Any employee may appeal action taken by the City under this policy through the appropriate grievance procedure and/or sanctioned by the City Charter or Statute.

7. Record Keeping

- a. The Personnel Department will maintain records in accordance with the following criteria.
- b. All records will be separated by City department.
- c. The Personnel Department will maintain confidential records of individual test results for a period of five (5) years. The City and the Personnel Director will assume responsibility for this confidentiality.
- d. The Personnel Department will maintain an annual summary of the records related to testing and which shall include the following information:
 - i. The total number of drug tests administered;
 - ii. The number of drug tests administered in each category (i.e., pre-employment, periodic, reasonable cause);
 - iii. The total number of individuals who did not pass a drug test;

- iv. The total number of individuals who did not pass a drug test by testing category;
- v. The disposition of each individual who did not pass a drug test;
- vi. The number of drug tests performed by a laboratory that indicated evidence of a prohibited prescription drug or metabolite in the screening test in a sufficient quantity to warrant a confirmatory test;
- vii. The number of drug tests performed by a laboratory that indicated evidence of a prohibited prescription drug or metabolite in the confirmatory test in a sufficient quantity to be reported as a “positive” finding to the medical review officer;
- viii. The number of drug tests performed by a laboratory that indicated evidence of a prohibited prescription drug or metabolite in the confirmatory test in a sufficient quantity to be reported as a “positive” finding by substance category (e.g., marijuana, cocaine, opium, PCP or amphetamine).

Employee Assistance Program (EAP)

EAP programs are normally 24-hour hot lines where employees and their family members can call counselors to deal with stress related problems. Many companies provide EAP programs through mental health providers because they feel that they can eliminate stress at work. If stress is eliminated at work, drug abuse, work related accidents and employee morale can be dramatically affected in a positive way. If an employee can contact a third party that is not associated with its company or labor local, employees feel more comfortable about presenting their problems to this third party and possibly finding solutions to them. Examples of these stress related problems may be alcoholism, drug abuse, divorce, financial problems, etc. Municipalities that are currently using EAP programs are Garfield Heights, Maple Heights, Cuyahoga County Engineers, City of Bedford, City of Shaker Heights and the City of Parma. Companies that currently use EAP programs are Dow Chemical, BCBS of Ohio, BF Goodrich, Ford Motors and General Motors.
