A message from

MAYOR
MICHAEL P. BYRNE

I am pleased to announce that registration for our recreation programs is now online through our city website (www.parmaheightsoh.gov), in addition to our traditional in-person registration events. Keep an eye out for other announcements in my Cityview Mayor’s newsletter, on our social media, or on the electronic signboard in front of City Hall.

One of the top priorities of my administration is to ensure that our Recreation Department offers a myriad of interesting programs for residents of all ages.

This brochure contains detailed information about the various programs and activities offered through our Recreation Department. The Recreation Department is also committed to exploring new programs and/or classes. If you have any suggestions or recommendations, please feel free to contact them at 440.884.9606 or recreation@parmaheightsoh.gov.

In addition, we are pleased to have been awarded a $50,000 grant from the State of Ohio which will be dedicated to upgrading the floors, ceilings, lights, electrical and décor of the lower level of the Cassidy Theatre/Community Center. The result will be a fresh space available for programs, meetings and special events. The renovated community rooms will be available to residents for rent beginning in April of this year.

If you haven’t done so already, I encourage you to take advantage of our recreational activities. Even something as simple as taking a walk to one of our neighborhood parks or nearby Cleveland Metroparks, attending a show at the Cassidy Theatre, or watching a youth ball game can be a great way to get out, meet your neighbors and enjoy life in Parma Heights!

Michael P. Byrne
Mayor
Mayor Byrne has made recreation programming a focal point of his administration, resulting in a multitude of recreational offerings for the enjoyment of all our residents! As your Recreation Director, it is always my pleasure to announce new and exciting recreation developments like online registration.

This brochure is designed to provide a one-stop source of information about all of our recreational offerings; including ongoing programs such as soccer, baseball, yoga classes, tennis lessons, and flag football, which compromise the core of our available activities. In addition you will find information on activities at the Brooklyn and Brook Park Recreation Centers, made available to you through cooperative agreements with these municipal neighbors.

The heart of our city, the Greenbrier Commons, is easy to locate on Pearl Road. The Commons and the Gazebo are the hub of activities during the summer months as we gather as a community for special events and concerts. As temperatures climb, families flock to our waterpark complex to enjoy the lap pool, diving pool, children’s splash/activity pool and dual waterslides. Don’t miss the tennis courts, children’s play area, exercise/fitness trail, and basketball, sand volleyball, shuffleboard and boccé ball courts....all located in the Greenbrier Commons!

The Cassidy Theatre/Community Center, also located in the Greenbrier Commons, presents live theatre performances, offers youth theatre classes and is home to the Greenbrier Art League activities throughout the year. Community rooms with kitchen facilities are also available for resident rentals.

Our city parks are true treasures and are located within easy walking distance from every neighborhood in Parma Heights. A favorite is the walking trail and scenic foot bridge that spans the Big Creek and links the Commons with the Cleveland Metroparks walking/bike trail. Please stop by and visit any or all of our parks throughout the year....I hope to see you there!

The Parma Heights branch of the Cuyahoga County Public Library system has an inspiring and unique history. Parma Heights was the first city in Ohio to pass a bond issue for the construction of a library building. In 1960, a $160,000 bond issue made the Parma Heights branch possible and in 1997, another bond issue was passed to remodel, modernize and expand the space including the addition of computers and meeting rooms.

In 2016, our branch received a renovation of over $800,000. This upgrade included a new children’s room for weekly storytime programs for babies, toddlers, and pre-schoolers. Kindergarten readiness classes are also available and require registration.

The library has WiFi, and new computers were added last year.

Meeting rooms are available free of charge and are also used each month to host various programs of interest for all ages. A schedule can be found online or at the branch. Please stop in!

You can order materials online and pick them up at the Parma Heights branch. You can borrow books, movies, video games, music, toys and more! Stop in and learn how to download books onto your mobile device.

You can also register to vote or change your voting at this branch.
