

Parma Heights Recycling Guide 2021

Guidelines, Special Events, Simple Recycling, Calendar

A Message from Mayor Mike Byrne...

It's easy to recycle...simply place all acceptable items (loose not bagged), in the GREEN recycling cart collected at your curb every Wednesday.

Recycling contamination must be avoided so please, do not put garbage or anything with food residue on it, including greasy pizza boxes, in the bin; also, NO tanglers like garden hoses, ropes, and chains.

If you ever have a question about what can or can't be recycled, please do not "wishcycle"; instead, visit CuyahogaRecycles.org for the answer or "when in doubt throw it out." If you need further assistance, give our Service Department a call at 440.884.9607 or my office at 440.884.9604 and we will be happy to assist you.

Thank you for recycling...it makes a difference.
