

Solid Waste District Welcomes New Business Recycling Specialist

The Cuyahoga County Solid Waste Management District is pleased to announce the hiring of Doreen Schreiber as our new Business Recycling Specialist. Doreen brings many years of waste industry plus sales and marketing experience to the District. She worked for Republic Waste creating waste reduction programs for large companies and has operated a waste reduction consulting company.

Doreen is available to help Cuyahoga County businesses with their waste reduction and recycling programs. She can assist in finding answers to questions about waste cost reduction, contracts, waste reduction, recycling, and commercial composting. Site visits may be available as well.

Learn more about commercial recycling and waste reduction at www.cuyahogaswd.org and click on "Business" near the top of the page. Or contact Doreen Schreiber at (216) 443-3732 or dschreiber@cuyahogacounty.us
