APRIL 26, 2021 COUNCIL MEETING MINUTES APPROVED.

Councilman Stavole presented the report of the May 3, 2021 Planning Commission meeting. (see attached)

Mike Byrne, Mayor

- The Mayor read the following statement: "After months of private thought and discussions with my family, I have decided not to seek re-election this fall to the Office Mayor for the City of Parma Heights. It has been my privilege to serve this truly special community through both the good and the challenging times. I want to take this opportunity to acknowledge and to thank the members of my administration, city employees, City Council and, of course, the residents of Parma Heights for their confidence and unwavering support throughout my almost 12 years in office. In the coming months there will be time to reflect on accomplishments as well as disappointments but I will leave office knowing that we have used these years to reimagine Parma Heights and set it on a path of renewal; the groundwork has been put into place and positive changes are becoming visible throughout our community. The continuance of this trajectory will be in the hands of my successor. It is with that knowledge in mind that I make this announcement. The decision to run is not an easy one and I want to give those who have the inclination to serve sufficient time to

consider their options. As I leave public life at the end of the 2021, I look forward to once again enjoying the comradery of being a private resident of the City of Parma Heights because community really does grow here.”

Councilman Stavole stated that was a nice statement by the Mayor.

Council President Gallo commented that it has been a pleasure working with the Mayor over the last 12 years and she wishes him well and knows that it was a difficult decision.

Councilman Haase commented that he has a heartfelt thank you for all that the Mayor has done for the community in his years of service. The Councilman acknowledge how difficult the decision was to make but he stated the Mayor needs to do what is best for himself and his family.

Subject: Questions/Comments City Council Meeting 5/10/2021

Public Session Questions for City Council Meeting 5/10/2021

1) Was City Council fully aware of what was being proposed with the new median on Pearl Road?

How are the police, fireman, or EMS supposed to turn onto Edgehill in the case of an emergency?

Is this aesthetics over safety?

2) On Tues 5/4 the Mayor's Office was emailed an attachment from Village Card & Gifts in Parma Hts. to

please post on the City's Facebook page as Mother's Day week is the 2nd busiest time for the

store. This was never done. I do 100% of the Facebook page for this store for free, and it only

takes 3 minutes to copy and post a pre-made post. The lack of support for small businesses in this

city is discerning.

3) In person public comments have been brought back across the country with many other City Councils

using plexiglass, telephone, or videoconference methods and email. With most Parma Heights

City Council meetings running less than 30 minutes, there is no excuse not to read public comments

in their entirety.
