ARTICLE V

FINANCES

SECTION 1. GENERAL.

The laws of the State of Ohio relating generally to budgets, appropriations, deposits, expenditures, debts, bonds, contracts and other fiscal matters of the Municipality shall be applicable to the Municipality, except as modified by or necessarily inconsistent with the provisions of this Charter and except when provision therefor is made in the Constitution of the State of Ohio.

SECTION 2. ANNUAL ESTIMATE.

The fiscal year of this Municipality shall be the same as that established for municipalities of its class by the laws of the State of Ohio, unless Council by proper action shall adopt a different fiscal year. Not less than forty-five (45) days before the end of each fiscal year the Mayor, with the assistance of the Director of Finance, shall prepare and submit to the Council an estimate of the revenues and expenditures of the Municipality for the next succeeding fiscal year. This estimate shall be compiled from information which shall be furnished by the head of each department, board or commission in such form and detail as the Mayor may reasonably require. The Mayor, with the assistance of the Director of Finance, shall furnish to the Council an appropriation ordinance for the fiscal year covered by said estimate.

SECTION 3. LIMITATION ON THE RATE OF TAXATION.

The aggregate amount of taxes that may be levied by the taxing authority of the Municipality without a vote of the people, on any taxable property assessed and listed for taxation according to value, for all purposes of the Municipality, shall not in any one year exceed ten and no tenths (10.0) mills for each one dollar (\$1.00) of assessed valuation. Of said total maximum levy, an amount shall annually be levied sufficient to pay the interest, sinking fund and retirement charges on all notes and bonds of the Municipality heretofore or hereafter authorized to be issued without the authority of the electors, which levy shall be placed before and in preference to all other levies and for the full amount thereof. Of the remaining portion of said total maximum levy, an amount shall annually be levied sufficient to provide the amounts required by law for police pensions and firemen's pensions; an amount not to exceed one (1) mill may annually be levied (a) for the purpose of paying the expense of recreation and providing recreational facilities and (b) for any purpose for which bonds and notes of the Municipality may be issued under the laws of the State of Ohio; and the balance thereof, not in excess of six and nine-tenths (6.9) mills may annually be levied for the purpose of paying the current operating expenses of the Municipality.

SECTION 4. SUBMISSION OF EXTRA LEVIES TO VOTE.

The Council may at any time in any year declare by resolution, adopted by a vote of not less than five (5) of the members of Council, that the amount of taxes which may be raised within the limitation of this Charter will be insufficient to provide an adequate amount for the necessary requirements of the Municipality for current operating expenses and other expenses payable from the general fund of the Municipality and such permanent improvements and equipment as shall have an estimated useful life of five (5) years or more, and that it is necessary to levy taxes in

excess of such limitations in addition to the levies authorized and limited by this Charter for any municipal purpose or purposes in such resolution.

Such resolution shall specify the additional sum which it is necessary to levy, the purpose or purposes thereof, and the additional rate estimated to be required therefor and the percentages of votes to be required. Such resolution shall be effective upon its adoption and shall be certified within five (5) days thereafter to the election authorities, who shall place such question upon the ballot at the next succeeding November election. If a majority of those voting thereon, unless a higher percentage be prescribed by Council, make such levy or such part thereof as it finds necessary pursuant to such approval and certify the same to the County Auditor to be placed on the tax list and collected as other taxes, but no such levy shall be made for more than five (5) years after the adoption of this Charter.

The authority of the Council to submit additional levies to a vote of the people under authority of the Constitution or laws of the State of Ohio shall not be deemed impaired or abridged by reason of any provision of this Charter.

SECTION 5. OTHER TAXES.

The limitation of Section 3 of this Article upon the power of Council to levy taxes shall not operate as a limitation upon the power of Council to levy taxes upon such other subjects and for such other purposes as may be lawful under the Constitution and laws of the State of Ohio.

SECTION 6. CONTRACTS AND PURCHASING.

The Municipality may, within the amounts and items appropriated by the Council, make purchases and enter into contracts on behalf of the Municipality involving expenditures for the whole of any authorized project, asset or service not in excess of fifty thousand dollars (\$50,000) without competitive bidding, except as may otherwise be provided by ordinance of the Council. No purchase or contract involving an expenditure of more than fifty thousand dollars (\$50,000) shall be made except with the lowest responsive and responsible bidder, or with the lowest and best bidder, as determined by Council after public advertising and receipt of bids in the manner set forth by ordinance; provided, however, that the Council may authorize contracts without advertising for bids for personal services, for the acquisition of real estate, for the joint use of facilities or exercise of powers with other political subdivisions, or for the product or services of public utilities (including those Municipally operated), and the Council may authorize a purchase or a contract involving an expenditure of more than fifty thousand dollars (\$50,000) without advertising for bids if it determines and declares by an affirmative vote of not less than five (5) members that an emergency exists and sets forth the nature of the emergency in its resolution or ordinance.

ARTICLE VII

INITIATIVE, REFERENDUM AND RECALL

SECTION 1. INITIATIVE AND REFERENDUM.

Ordinances and other measures of the Municipality may be proposed by initiative petition and adopted by election, and ordinances and other measures adopted by the Council shall be subject to referendum, to the extent and the manner now or hereafter provided by the Constitution or the laws of the State of Ohio.

SECTION 2. RECALL.

The electors shall have the power to remove from office by recall election any elective officer of the Municipality. After an elective officer has served for six (6) months of their term a petition demanding their removal may be filed with Council. Such petition shall be signed by at least that number of electors which equals twenty percent (20%) of the electors voting at the last preceding municipal election, provided however, the petition for recall of a Council member from a ward shall be signed by at least that number of electors of the Council member's ward equal to twenty percent (20%) in number of the electors of such ward who voted at the last preceding municipal election.

Within ten (10) days after filing such petition, the Council shall determine the sufficiency thereof. If the Council shall find the petition insufficient, it shall promptly certify the particulars in which the petition is defective, and deliver a copy of its certificate to the person who filed the petition with it, and such person shall be allowed a period of twenty (20) days after the day on which such delivery was made in which to make the petition sufficient.

If the Council shall find the petition sufficient, it shall promptly so certify to the officer whose removal is sought, and if the officer does not resign within five (5) days thereafter, the Council shall thereupon fix a day for holding a recall election, not less than thirty (30) days nor more than forty (40) days from the date of the certificate of sufficiency. At such recall election the question shall be placed on the ballot "Shall (naming the officer) be allowed to continue as (naming the office) ?" with the provision on the ballot for voting affirmatively and negatively on such question. If a majority of the votes cast at such election shall be voted affirmatively such officer shall remain in office. If a majority of the votes cast shall be voted negatively such officer shall be considered as removed and such office shall be declared vacant.

Such vacancy shall be filled as provided in this Charter. The officer removed by such recall election shall not be eligible for appointment to the vacancy created by such recall election.

ARTICLE VIII

FRANCHISES

(GENERAL PROVISIONS)

The Council may by ordinance grant a nonexclusive franchise to any person, firm or corporation to construct or operate a public utility on, across, under, over or above any public street or real estate within the Municipality for a period not in excess of twenty-five (25) years; and it may prescribe in the ordinance the kind or quality of service or product to be furnished, the rate or rates to be charged therefor, and such other terms as Council shall deem conducive to the public interest. Such franchise may be amended or renewed in the manner and subject to the provisions established by this Charter for original grants. No consent of the property abutting on any public street or real estate shall be necessary to the effectiveness of any such grant, amendment or renewal.

All such grants, amendments and renewals shall be made subject to the continuing right of the Council to provide reasonable regulations for the operation of such utilities with reference to such streets and public real estate, including the right to require such reconstruction, relocation, alteration or removal of structures and equipment used in such streets or public realty as shall, in the opinion of Council, be necessary in the public interest.

ARTICLE IX

AMENDMENTS TO CHARTER

(GENERAL PROVISIONS)

The Council may, by the affirmative vote of at least five (5) of its members, submit to the electors any proposed amendment to this Charter; or, upon receipt of a petition signed by not less than ten percent (10%) of the registered electors of the Municipality setting forth any proposed amendment to this Charter, it shall submit such proposed amendment to the electors in accordance with the laws of the State of Ohio. The Council shall determine the manner of the submission of any proposed amendment to the electors to the extent that such submission is not governed by the Constitution and the laws of the State of Ohio. If any such proposed amendment shall be approved by a majority of the electors voting thereon, it shall become a part of this Charter and shall become operative and effective on the first day of January following its approval unless otherwise provided at the time of submission to the electors; except that, if two or more inconsistent proposed amendments on the same subject shall be submitted at the same election, only the one of such amendments receiving the largest affirmative vote, not less than a majority, shall become a part of this Charter.

ARTICLE X

Such Commission shall review and recommend to the Council of the Municipality any alterations, revisions, and amendments to this Charter as in its judgment seem desirable. The Council shall submit to the electors any such proposed alterations, revisions, or amendments to this Charter, in the manner recommended by the Charter Review Commission. Each said Charter Review Commission shall cease to function on the day of the next regular municipal election following its appointment.
