

ORDINANCE NO. 2026 - 47

AN ORDINANCE AUTHORIZING THE ADMINISTRATION TO ENTER INTO AN AGREEMENT WITH RUMPKE OF OHIO, INC. FOR RESIDENTIAL SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING SERVICES IN THE CITY OF PARMA HEIGHTS, AND DECLARING AN EMERGENCY

WHEREAS, Ordinance No. 2026 – 16, passed March 9, 2026, authorized the Administration to advertise for competitive bids for residential waste collection and recycling services in the City of Parma Heights, and;

WHEREAS, three (3) bids were received as evidenced by the Bid Analysis, attached hereto as “Exhibit 1”, and;

WHEREAS, Rumpke of Ohio, Inc. was determined to be the lowest and best bid, and;

WHEREAS, the Administration recommends that the City enter into an agreement with Rumpke of Ohio, Inc., the determined lowest and best bidder.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Parma Heights, County of Cuyahoga and State of Ohio:

Section 1: The Administration is authorized and directed to enter into an agreement with Rumpke of Ohio, Inc., substantially in the form attached hereto as “Exhibit 2” and made a part hereof by reference, as if fully rewritten, subject to any further negotiated adjustments and/or revisions prior to execution approved by the Director of Public Service and the Director of Finance.

Section 2: The Administration is authorized to expend funds in satisfaction of the agreement.

Section 3: This Council finds and determines that all formal action of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of the Council and of any of its Committees comprised of a majority of the members of the Council that resulted in those formal actions were in meetings open to the public, in compliance with the law.

Section 4: This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of said City and for the further reason it is necessary to enter into said agreement immediately to provide the necessary solid waste collection, disposal and recycling in the City to avoid a disruption in public service; wherefore, this ordinance shall be in full force and effect from and immediately after its passage by Council and approval by the Mayor.

AGREEMENT
BETWEEN
THE CITY OF PARMA HEIGHTS
AND
RUMPKE WASTE & RECYCLING SERVICES

Residential Solid Waste Collection, Disposal, and Recycling Services

THIS AGREEMENT (the "Agreement") for Residential Solid Waste Collection, Disposal and Recycling Services is entered into by and between the City of Parma Heights, a City in the County of Cuyahoga, State of Ohio (the "City") with its offices located at 6281 Pearl Road and Rumpke Waste & Recycling Services (the "Contractor"), a corporation, with an office located at 3131 East Royalton Road, Broadview Heights, Ohio 44147.

W I T N E S S E T H

WHEREAS, pursuant to Sections 715.43 and 3707.43 of the Ohio Revised Code, the City may enter into written contracts with independent contractors for Residential Solid Waste Collection, Disposal, and Recycling Services;

WHEREAS, the City, pursuant to a Motion adopted on May 11, 2026, which authorized the City of Parma Heights to obtain bids for Residential Solid Waste Collection, Disposal, and Recycling Services;

WHEREAS, following publication of the Invitation to Bid in the Plain Dealer on March 18, 2026 and March 25, 2026, and the opening and consideration of the Bids received for the Residential Solid Waste Collection, Disposal, and Recycling Services on April 15, 2026, the Bid of the Contractor has been determined to be the lowest and best;

WHEREAS, the City and the Contractor have agreed on terms and conditions for the Residential Solid Waste Collection, Disposal, and Recycling Services in conformance with the Bid Documents, incorporated herein by reference, at the bid prices as stated on the Bid Forms, which are attached hereto and incorporated by reference; and

WHEREAS, the City has considered the Bid. The Council of the City, pursuant to Ordinance 2026-47, which approved the Contract and authorized the Mayor to execute the Contract by and on behalf of the City, and the City has received the required executed original and copies from the Contractor.

NOW THEREFORE, in consideration of the mutual promises and obligations contained herein, the City and the Contractor agree as follows:

ARTICLE I - DEFINITIONS

The capitalized terms used herein are defined in Exhibit A: Definitions.

ARTICLE II - TERM

The Commencement Date for Residential Solid Waste Collection, Disposal, and Recycling Services is January 1, 2027, and the initial term of this Agreement shall terminate on December 31, 2029. The City shall have the option, at its sole discretion, to renew and extend this Agreement for up to two (2) additional consecutive one-year terms. The City shall provide written notice to the Contractor of its decision to renew and extend the Agreement on or before October 1st of the year preceding each option year.

ARTICLE III – STATEMENT OF WORK

During the term of this Agreement, the Contractor will perform the services outlined in this Article III of this Agreement and also outlined in the City's Invitation to Bid and the Contractor's Bid which is incorporated herein by reference including, but not limited to the provision of all labor, materials, equipment, management, disposal and processing facilities with scales, record keeping and billing related to the provision of services. Such services will be performed throughout the term of this Agreement.

- 1. Scope of Collection Services.** The scope of services is set forth on Exhibit B, which is incorporated into this Agreement by reference.

- 2. Solid Waste Transfer and Disposal Services**

The Contractor is responsible for delivering all Solid Waste to a licensed Solid Waste Transfer Station or licensed Solid Waste Landfill for disposal at the facilities identified in the Bid or at additional facilities approved by the City.

- 3. Recycling Services**

The Contractor is responsible for delivering all Mixed Recyclables to a legitimate Material Recovery Facility (MRF) for processing at the facilities identified in the Bid or at additional facilities approved by the City. The MRF must be able to recycle the following materials at a minimum: cans (aluminum and steel), glass (bottles and jars), fiber (mixed paper, boxboard, and cardboard), and plastic bottles and jugs. In addition to any materials identified in the Bid Document, the Contractor may add supplemental materials to the recycling list.

Any charge for Contaminated Loads or excessive Residual Solid Waste by the MRF shall be the sole responsibility of the Contractor. If any such charges are assessed to the Contractor, the Collection Contractor shall notify the City within (forty-eight) 48 hours of receiving the charge, so steps can be taken to address the Contamination in conjunction with the Contractor.

Any charge for Contaminated Loads or excessive Residual Solid Waste by the MRF shall be the sole responsibility of the Contractor. If any such charges are assessed to the Contractor, the Collection Contractor shall notify the City within (forty-eight) 48 hours of receiving the charge, so steps can be taken to address the Contamination in conjunction with the Contractor.

4. Container Services

The Contractor must provide and service containers to collect and dispose of Solid Waste and Recyclables from municipal locations, at the locations and frequency requested by the City, as outlined in the City's Invitation to Bid.

5. Customer Education

The Contractor will be responsible for providing Solid Waste and Recycling collection information to residents as follows:

The Contractor, at the Contractor's sole cost and expense, shall prepare and annually mail to each Residential Unit served under this Contract a brochure that contains the City-approved requirements for Solid Waste and Recycling Collection. Information to be included in the brochure shall consist of: the Contractor's phone number; cart set out guidelines; the day of collection; a description of the Solid Wastes and Recyclables appropriate for collection; procedures for disposing of bulky items, appliances, Freon-containing appliances and yard waste; complaints; holiday schedule; and any other information that explains how the Solid Waste and Recycling collection will be provided. The Contractor shall provide the City with an additional one hundred (100) copies of the brochure relevant for Residential Units with curbside collection services for distribution to new Residents or to Residents that request an additional copy. The Contractor shall provide a sample of the brochure with the Bid to the Director of Public Service for approval, no later than November 16, 2026, and shall mail the approved brochure to each Residential Unit no later than December 16, 2026, and during December each year thereafter.

6. Customer Service, Notification, and Compliance

The Contractor will maintain a phone number and email address to receive and respond to questions or complaints. The office must be staffed from 8:00 a.m. to 5:00 p.m. on regular collection days. All resident questions or complaints must be given prompt and courteous attention. In the event of any alleged missed collection, the Contractor will investigate and, if the allegation is verified, arrange for collection within one (1) business day of receipt of the complaint.

Upon the first instance that a Resident places Solid Waste or Recyclable Materials for collection in a manner that violates the Resident's obligations as contained in the original

notice mailed by the Contractor to each Residential Unit, the Contractor shall collect such items and leave a tag advising the Resident of the reasons why such placement is unacceptable. The Contractor shall not be required to collect any item(s) deemed hazardous to the safety of the collector or vehicle. Upon any subsequent instance that a Resident places Solid Waste or Recyclable Materials for collection in a manner that violates the Resident's obligations, the Contractor may refuse to pick up such materials, provided that at the time of refusal, the Collection Contractor leaves a tag advising the Resident of the reasons for the Contractor's refusal to collect the materials. The Contractor shall provide the City with copies of all tags left at each Unit pursuant to this section or may give photographic evidence of the tagging and uncollected materials, or other such notification as agreed to between the City and the Contractor. The Contractor shall not take undue measures to determine compliance with specified weight or size restrictions, but shall act, in good faith, in favor of the City and the Residents receiving the Collection Services.

7. Implementation Plan

The Contractor shall submit to the City and certify: (a) compliance with the benchmarks which include, but are not limited to, the identification of the number of vehicles, make, year and model, and type of vehicle (diesel, CNG) sufficient number of drivers/employees, collection containers and equipment to perform; (b) that Contractor's employees have been identified and completed training; (c) approved written notices to Residents were sent to each Resident by U.S. mail explaining the procedures and obligations of each owner or occupant of a Residential Unit to receive Collection Services, and detailing the requirements for placement of collection containers; (d) that the delivery of any collection containers is complete; (e) that the Contractor has delivered to the proof of insurance, proof of workers' compensation coverage and the required Performance Bond.

ARTICLE IV - PRICE, INVOICE, AND PAYMENT

1. Price for Residential Solid Waste Collection, Disposal, and Recycling Services

During the term, the City agrees to pay the Contractor for the Services in the following amounts: the per household per month price for Residential Solid Waste Collection, Disposal and Recycling Services as outlined in BID FORM 8, which includes all direct and indirect costs, including but not limited to the costs of disposal of the Solid Waste at a licensed Solid Waste Landfill or Solid Waste Transfer Station, Recycling, and all Governmental Fees applicable on the generation, receipt, transfer and disposal of Solid Waste in the State of Ohio; and for Services identified on BID FORM 9A, BID FORM 9B and BID FORM 9C. These prices include Governmental Fees assessed on solid waste disposed of in a sanitary landfill in Ohio as of April 15, 2026. Should any Governmental Fees increase or decrease during the term of the Contract, the Contractor may add or subtract the amount of the increase to the per-ton disposal cost charged to the City based upon the following formula:

Permissible Pass-Through Charges. Any Governmental Fee increases incurred for disposal of Solid Waste at the Solid Waste Landfill, Solid Waste Disposal Facility, or Solid Waste Transfer Facility may be passed on by the Contractor. The Contractor shall pass on any decreases in Governmental Fees. A Governmental Fee is a fee applied to the disposal or processing of Solid Waste levied by the United States Federal Government, the State of Ohio, the County, the Township, the Municipality, or the Solid Waste District. The Contractor shall give the City and Residents as much notice as is practicable before adjusting for Governmental Fee modifications. In the event an adjustment is necessary, the Contractor's charge per Residential Unit shall be adjusted by an amount to be determined as follows:

Deductions from Contractor's Invoice for Non-performance. If the Contractor misses or fails to make a collection, except as provided except as provided in Article III, Paragraph 6, on the regularly scheduled day from any Unit(s) on the same street two (2) or more times in any ninety (90) day period, even if corrected within twenty-four (24) hours, the City may withhold from payment the lesser of Twenty-Five Dollars (\$25.00) per Unit or Two Hundred and Fifty Dollars (\$250.00) per street (no more than one mile in length). If the City performs cleanup services, the City may withhold from payment one hundred dollars (\$100.00) per service call plus \$50.00 per hour for cleanup services performed by the City. If the Collection Contractor commingles Source-Separated Recyclable Materials with Solid Waste for Disposal, the City may withhold one-hundred-dollar payment (\$100.00) per Unit. In the event the City is charged by the MRF or Compost Facility for contaminated loads or excessive residuals, the City may withhold payment of the charge.

The remedies available pursuant to this section are in addition to any other remedies available to the City in accordance with this Agreement. The City's determination not to use any remedy in response to a failure to perform shall not constitute a waiver by the City of the right to exercise any remedy in response to subsequent failures to perform.

2. Record Keeping – Daily, Monthly, and Annual Report

The Contractor shall report to the City any Units that do not place collection containers on the collection day. This report shall be provided to the City at the end of each collection day to avoid disputes over whether the Resident placed collection containers for collection. The Contractor and the City may agree to utilize a different procedure, provided such agreement is in writing.

The Contractor must submit a monthly record of the total tonnage of Solid Waste and Recyclable Materials collected for the preceding month within ten (10) days of the prior month and submit this with the monthly invoice to the City of Parma Heights. The Contractor shall also submit an annual year-end report. The year-end report will be due within 30 days of the end of the reporting year. It will include a month-by-month accounting of the tonnage of Solid Waste collected and disposed of, as well as the tonnage of Recyclable Materials collected and recycled.

3. **Billing Service and Payment**

The Contractor will invoice the City of Parma Heights for services rendered within ten (10) days following the end of the month. The invoice will be sent to City Hall at the attention of the City's Director of Public Service.

4. **Fuel Adjustments**

The Contractor will not apply a Fuel Price Adjustment to the monthly invoice.

ARTICLE V - PERFORMANCE BOND AND INSURANCE

1. **Performance Bond**

Within ten (10) days after receiving the Notice of Award, the Contractor after receiving a Notice of Award, will furnish a Performance Bond in the amount of 100% of the first-year Contract price executed by a duly authorized surety, acceptable to the City in all respects, or such other security satisfactory to the City. The Performance Bond will be issued annually for each contract year during the term of the contract. The Contractor will pay for the entire cost of the bond(s).

2. **Insurance**

The Contractor will at all times during the Contract maintain in full force and effect the insurance coverage listed below, including contractual liability coverage arising hereunder. All insurance will be issued by insurers and for policy limits acceptable to the City, and the Contractor will furnish the City certificates of insurance or other evidence satisfactory to the City evidencing the required insurance has been procured and is in force. Contractor will, upon written request from the City, provide the City with original copies of the policies and all endorsements to any such policies.

The City and its council members, officers, representatives, agents, and employees will be additional insured's on the Contractor's Commercial General Liability, Employers Liability, Automobile Liability, and Excess/Umbrella Liability insurance; the extent of the additional insured coverage afforded will be no less broad than that provided under ISO Form CG 20 26 11/85 for General Liability and Umbrella/Excess Liability, ISO Form CA 20 48 02/99 for Auto Liability, or substitute forms providing equivalent coverage. The additional insured coverage afforded under Contractor's policies will include both ongoing operations (work in progress) and completed operations (completed work). The insurance coverage to be purchased and maintained by Contractor, as required by this paragraph, will be primary to any insurance, self-insurance, or self-funding arrangement maintained by City that does not contribute therewith. There will be severability of interests under the insurance policies required hereunder for all coverage provided under said insurance policies and otherwise provide cross liability coverage.

The Contractor will be responsible for the payment of any deductible(s) or retention(s) under the policies of insurance purchased and maintained by it pursuant to this Contract. To the extent permitted by law, all or any part of any required insurance coverage may be provided under an approved plan or plans of self-insurance. The Contractor's parent corporation may provide the coverage.

Insurance Coverage Requirements

Coverage	Minimum limits of liability, terms, and coverage
Commercial General Liability	\$1,000,000 bodily injury and property damage each occurrence, including advertising and personal injury, products, and completed operations \$2,000,000 products/completed operations annual aggregate \$2,000,000 yearly general aggregate
Auto Liability Insurance	\$1,000,000 each person, bodily injury, and property damage, including owned, non-owned, and hired auto liability ISO Form CA 9948, or a substitute form providing equivalent coverage, is required
Employer's Liability	\$1,000,000 bodily injury by accident, each accident \$1,000,000 bodily injury by disease, each employee \$1,000,000 bodily injury by disease, policy aggregate
Umbrella/Excess Liability	\$5,000,000 each occurrence and annual aggregate Underlying coverage shall include General Liability, Auto Liability, and Employers Liability.
Pollution Legal Liability	\$1,000,000 per claim \$1,000,000 annual aggregate covering damages or liability arising or resulting from Contractor's services rendered, or which should have been rendered, pursuant to this Contract
Property	Contractor shall purchase and maintain property insurance covering machinery, equipment, mobile equipment, and tools used or owned by Contractor in the performance of services hereunder. City shall in no circumstance be responsible or liable for the loss or damage to, or disappearance of, any machinery, equipment, mobile equipment, or tools used or owned by Contractor in the performance of services hereunder.

Workers' Compensation Coverage. Before commencing work under this Agreement, the Contractor shall furnish to the City satisfactory proof that the Collection Contractor has paid current premiums for workers' compensation coverage for all persons employed in carrying out the work covered by this Agreement. Such proof must be included as Exhibit B, which is attached and incorporated by reference. The Contractor is responsible for

forwarding updated evidence of payment for workers' compensation coverage on an ongoing basis, as such proofs expire. The Contractor shall hold the City free and harmless for any personal injuries of all persons performing work for the Contractor under this Agreement.

ARTICLE VI - INDEMNIFICATION

1. Environmental Indemnity

The Contractor will indemnify, save, and hold the City, its members of council, employees, agents, officers and consultants (each an "Indemnitee") harmless from and against any liabilities, claims, demands, causes of action, penalties, judgments, forfeitures, liens, suits, costs and expenses whatsoever (including those arising out of death, injury to persons, or damage to or destruction of property), and the costs and expenses incident thereto which any Indemnitee may incur, become responsible for, or pay out for or resulting from contamination of or adverse effects on the environment, or any violation of governmental laws, regulations, or orders, in each case, to the extent caused by the Contractor's negligence or willful misconduct relating to the performance of the work hereunder. Any Indemnitee will promptly notify the Contractor of any assertion of any claim against it for which it is entitled to be indemnified hereunder, will allow the Contractor to defend such claim, and will not settle such claim without the approval of the Contractor. This section will survive expiration or earlier termination of this Agreement.

2. General Indemnity

The Contractor will indemnify, save, and hold the City, its members of council, employees, agents, officers and consultants (each an "Indemnitee") harmless from and against any and all liabilities, claims, demands, causes of action, penalties, judgments, forfeitures, liens, suits, costs and expenses whatsoever (including those arising out of death, injury to persons, or damage to or destruction of property), and the cost and expenses incident thereto (including reasonable attorneys' fees), which any Indemnitee may hereafter incur, become responsible for, or pay out for or resulting from the performance of the Residential Waste Collection and Recycling Services under this Agreement, provided that any such claim, damage, loss, or expense: is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting there from; and is caused in whole or in part by any negligent act or omission of the Contractor, anyone directly or indirectly employed by the Contractor, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Such obligation will not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this section. Any Indemnitee will promptly notify the Contractor of any assertion of any claim against it for which it is entitled to be indemnified hereunder, will allow the Contractor to defend such claim, and will not settle such claim without the approval of the Contractor. This section will survive expiration or earlier termination of this Agreement.

3. **Indemnity Not Limited**

In any claims against the City, its employees, agents, officers and consultants, by any employee of the Contractor or anyone for whose acts any of them may be liable, the indemnification obligation under this section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor under workers' compensation acts, disability benefit acts, or other employees' benefit acts. Nothing herein shall be construed as creating any personal liability on the part of any employee, agent, officer, or consultant of the City.

ARTICLE VII: PERFORMANCE ASSURANCE; BREACH AND TERMINATION

1. **Performance Assurance**

The Contractor agrees to immediately report to the City any notice or order from any governmental agency or court or any event, circumstance, or condition that may adversely affect the ability of the Contractor to fulfill its obligations hereunder. If, upon receipt of such report or upon the City's own determination that any such notice, order, event, circumstance, or condition adversely affects the ability of the Contractor to fulfill its obligations hereunder, the City will have the right to demand adequate assurances from the Contractor that the Contractor can satisfy its obligations hereunder. Upon receipt by the Contractor of any such demand, the Contractor, within fourteen (14) days, will submit to the City its written response. If the City disagrees that the Contractor's response will provide adequate assurance of future performance to the City, then the City may, in the exercise of its sole discretion, seek substitute or additional sources for the delivery of all or a portion of the Residential Waste Collection and Recycling Services provided by the Contractor, declare the Contractor is in default of its obligations under this Agreement or take such action the City deems necessary to assure that the Residential Waste Collection, Disposal and Recycling Services will be available to the City and its Residents.

2. **Breach of Contract; Termination.**

Upon the material failure of the Contractor to comply with the terms or conditions of this Agreement, the City may terminate the Agreement in the following manner: The City shall provide notice to the Contractor, by certified mail, return receipt requested, of the alleged material failure of the Contractor to comply with the Agreement. The Contractor shall have ten (10) days to provide the City with written assurance, which can be substantiated by reasonable proof, that the material failure(s) and issues identified in the notice have been corrected. If the Contractor fails to provide such written assurance and substantiating proof within the ten (10) day period for corrective action, or there are ongoing or continuing failures to perform the Collection Services, the City may terminate this Agreement. Any such termination shall not take effect until the City secures alternate or substitute performance. The City may commence the process to obtain an alternate or substitute service provider for the Residential Solid Waste Collection, Disposal, and

Recycling Services following the Contractor's failure to cure the alleged material failure to the City's satisfaction, in the City's reasonable discretion.

3. **Surety or City Cover in the Event of a Material Failure.**

In the event of termination, the Contractor's surety shall have the right to take over and perform under the Agreement. However, if the surety does not commence performance, the City shall take over performance by contract or otherwise at the expense of the surety. In the event there is no surety-provided cover, or the City is unable to provide or obtain cover, the City may delay the effective termination date until the City completes the process of obtaining a substitute service provider of the Residential Solid Waste Collection, Disposal, and Recycling Services. In such an event, the Contractor shall continue to perform its responsibilities under this Agreement until the termination effective date. Material failure includes, but is not limited to, the City's receipt of more than twenty (20) bona fide complaints in any given month regarding the collection services. A bona fide complaint is one that the City has investigated and determined to represent a failure by the Contractor to provide the required collection services. Material failure also includes the Contractor's inability to provide the Performance Bond and proof of insurance as needed, or to pay the City's income taxes.

4. **Termination for Change of Control of Collection Contractor.**

The award of this Agreement is based on the ownership and control of the Contractor as of the time of the award. Such ownership and control are material terms in such an award. If during the term of this Agreement the Contractor is merged or sold, the City shall have the right, in its sole discretion, to terminate this Agreement upon thirty (30) days' written notice of termination to the Contractor. In the event of such notice of termination, the Contractor shall continue to perform under the terms of this Agreement until the City can obtain alternate or substitute service.

5. **Force Majeure.**

Performance hereunder may be suspended where made impracticable due to events beyond the reasonable control of a Party required to perform, including, without limitation, acts of God, war, riot, labor unrest, or acts of superior governmental authority.

ARTICLE VIII. MISCELLANEOUS

1. **Entire Agreement**

This Agreement, the Invitation to Bid, Bidder's Bid Forms, and all attachments hereto represent the entire agreement of the parties as to its subject matter and supersedes all other prior written or oral understandings. This Agreement may be modified or amended only by a writing signed by both parties.

2. Notices

Written notice required to be given under this Agreement will be sufficient if delivered personally or mailed by certified mail with return receipt requested with proper postage to the Contractor, attention to the City of Parma Heights, Director of Public Service at their respective addresses set forth above. Any address change must be given in like manner.

TO THE CITY OF PARMA HEIGHTS:

Director of Public Service
6281 Pearl Road
Parma Heights, Ohio 44130

TO THE CONTRACTOR:

Area Municipal Manager
Rumpke Waste & Recycle Services
3131 East Royalton Road
Broadview Heights, Ohio 44147

3. Waiver

No waiver, discharge, or renunciation of any claim or right of the City or the Contractor arising out of a breach or alleged breach of this Agreement by the City or the Contractor will be effective unless in writing signed by the City and the Contractor.

4. Applicable Law

This Agreement will be governed by, and construed in accordance with, the laws of the State of Ohio. Additional Cities/Villages located within the Solid Waste Management District may "opt in" at a later date without the necessity of a further competitive bidding process, in accordance with Ohio Revised Code section 9.48.

5. Unenforceable Provision

If any provision of this Agreement is in any way unenforceable, such provision will be deemed stricken from this Agreement, and the parties agree to remain bound by all remaining provisions. The parties agree to negotiate in good faith a replacement provision for any provision so stricken.

6. Binding Effect

This Agreement will be binding upon and will inure to the benefit of, and be enforceable by and against, the respective successors and assigns of each party hereto. Provided, however, that the Contractor may not assign this Agreement or any of the Contractor's rights or obligations hereunder without the express written consent of the City, which consent may be withheld for any reason or for no reason.

7. Rights or Benefits

Nothing herein will be construed to give any rights or benefits in this Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of the City and the Contractor and not for the benefit of any other party.

IN WITNESS WHEREOF, the City of Parma Heights and the Contractor, acting herein by their duly authorized representatives, have hereunto set their hands this day and year first above written.

Rumpke Waste & Recycling Services
3131 East Royalton Road
Broadview Heights, Ohio 44147

Notice of Award – Residential Solid Waste Collection, Disposal, and Recycling Services

Dear Rumpke Waste & Recycle Services,

The City of Parma Heights hereby notifies you that, following review of bids and approval by City Council, your bid for the Residential Solid Waste Collection, Disposal, and Recycling Services contract has been accepted.

This award is made in accordance with the bid specifications, addenda, and your submitted proposal. No modifications to material terms of the contract are authorized.

In accordance with the bid requirements, you are hereby directed to execute and return the Contract Agreement within ten (10) calendar days from the date of this Notice of Award. At that time, you must also provide the required performance bond and certificates of insurance as specified in the contract documents.

Failure to comply with these requirements within the specified timeframe may result in the award being rescinded.

A copy of the Contract Agreement will be provided under separate cover for execution.

If you have any questions regarding this Notice of Award, please contact my office.

Sincerely,

Robert P. Sepik

Director of Public Service

EXHIBIT A: DEFINITIONS

“Agreement” means the Contract for Residential Solid Waste Collection, Disposal, and Recycling Services.

“Appliances” means all white goods.

“Bid” means a price submitted to the City in response to the Invitation to Bid for Residential Solid Waste Collection, Disposal, and Recycling Services as described in the Bid Documents.

“Bid Bond” means a bond or any other instrument acceptable by the City and in accordance with any local ordinance ensuring the City that the Successful Bidder will execute the Agreement substantially in the form provided in the Bid Documents.

“Bidder” means a person, partnership, joint venture, corporation, or limited liability company submitting a Bid to the City in response to the Invitation to Bid to provide Residential Solid Waste Collection, Disposal, and Recycling Services.

“Bid Documents” means the documents prepared and furnished by the City. Bidders are to use the Bid Documents when submitting all Bids. Bid Documents include: Legal Notice to Bidders, Instructions to Bidders, Bid Forms, Form of Contract, and all attachments and exhibits thereto.

“Bid Form(s)” means the forms provided by the City in the Bid Documents on which all Bids must be submitted.

“Bulky Waste” means any Solid Waste that is either, by weight or by volume, too large to be contained in the Contractor-issued 32-Gallon or 96 Gallon Wheeled Cart (i.e., stoves, water tanks, washing machines, furniture, mattresses, and other household items and appliances that are not Freon-containing). The volume of material, bagged or individual item(s), cannot exceed two (2) cubic yards (6 feet wide x 3 feet tall x 3 feet deep).

“Collection Contractor” means the individual or entity selected by a City/Village for the collection of Solid Waste, Recyclable Materials, and/or yard waste from Residential Units, municipal facilities, and during special events within the City/Village.

“Collection Vehicles” means those vehicles used by the Contractor to collect Solid Waste and Recyclables at the Curb.

“Commencement Date” means the first day of the first week during which the Residential Solid Waste Collection, Disposal, and Recycling Services will commence.

“Compost” as defined in OAC 3745-560-02(C)(1-4)

“Composting” means the biological decomposition of yard waste and other organic wastes under controlled conditions, resulting in compost. Controlled conditions include, but are not limited to, grinding, shredding, chipping, mixing feedstocks, bulking agents, and additives, piling, physical

turning, aerating, adding moisture, performing procedures to achieve human pathogen reduction, and other processing of solid wastes.

"Compost Facility" means the classes of facilities regulated by the Ohio EPA as defined in OAC 3745-560-02(C)(1-4)

"Construction and Demolition Debris" means waste building materials resulting from construction, remodeling, repair, or demolition operations.

"Container Services" means the provision by the Contractor of rear or front-load, roll-off containers and carts for the collection of Solid Waste and Recyclables at various municipal facilities and the regularly scheduled emptying of the containers as indicated in Table 2 of the Invitation to Bid.

"Contamination" means the presence of Solid Waste, Garbage, Refuse, Residual Solid Waste, or any Non-Recyclable Materials that are commingled with Recyclable Materials or Yard Waste and hinder or prevent the processing of the Recyclable Materials or Yard Waste by the Contractor at the MRF or Compost Facility.

"Contaminated Loads" means loads of materials delivered to the MRF or Compost Facility that contain a level of Contamination in such amounts as to hinder or prevent the processing of the load.

"Contract or Form of Contract" means the agreement for Residential Solid Waste Collection, Disposal, and Recycling Services entered into by and between the Successful Bidder and the City of Parma Heights.

"Contract Documents" include the Request for Proposals, Instructions to Bidders, Contractor's Bid and supporting documents, General Specifications, the Contract Performance Bond, or any addenda or changes to the foregoing documents agreed to by the City and the Contractor.

"Contractor" means the person, corporation, partnership, or limited liability company performing Residential Solid Waste Collection, Disposal, and Recycling Services under contract with the City of Parma Heights.

"County of Cuyahoga" refers to the geographic region of the Cuyahoga County Solid Waste District, which includes a small portion of the Village of Hunting Valley that is located within Geauga County.

"Curbside" "Curb" means that portion of the right-of-way adjacent to paved or traveled roadways, including the end of a driveway, curb line, or alley line. Containers will be placed as close to the roadway as practicable without interfering with or endangering the movement of vehicles or pedestrians.

"Dead Animals" means animals or portions thereof equal to or greater than 50 lbs. in weight that have expired from any natural cause regulated by law, except those slaughtered or killed for human use.

"Disposal Site" means a Solid Waste or refuse depository, including but not limited to Solid Waste Landfills, Solid Waste Transfer Stations, incinerators, and waste processing/separation centers licensed, permitted, or approved to receive for processing or final disposal of Refuse and Dead Animals by all governmental bodies and agencies having jurisdiction and requiring such licenses, permits, or approvals.

"Excess Bagged Waste" is Solid Waste, Refuse, or Garbage that is placed outside of the 96-gallon collection container for Solid Waste.

"Freon-Containing Appliances" means any appliance containing refrigerant. The Contractor must provide lawful removal of all refrigerant from any refrigerators, freezers, air conditioners, and dehumidifiers collected, and upon request, provide documentation verifying the proper removal of refrigerant. Refrigerants/Freon must be recovered before acceptance for disposal. Compliance and removal of Freon are the responsibility of the Contractor.

"Fuel Price Adjustment" means an increase or decrease proposed by the Successful Bidder in the cost of collecting Solid Waste and Recyclables and transporting those materials to a Solid Waste Transfer Station, Landfill, or Material Recovery Facility.

"Garbage" means any dead animals less than 50 lbs. in weight, except those slaughtered for human consumption; every accumulation of waste (animal, vegetable and/or other matter) that results from the preparation, processing, consumption, dealing in, handling, packing, canning, storage, transportation, decay or decomposition of meats, fish, fowl, birds, fruit, grains or other animal or vegetable matter (including, but not by way of imitation, used tin cans and other food containers; and all putrescible or easily decomposable waste animal or vegetable matter which is likely to attract flies or rodents); except (in all cases) any matter included in the definition of Bulky Waste, Rubbish or Stable Matter.

"Governmental Fees" means a fee applied to the disposal or processing of Solid Waste, Recyclable Materials, or Yard Waste levied by the United States Federal Government, State of Ohio, County, Municipality, Township, or Solid Waste Management District or other public entity. A Governmental Fee does not include any charge by a private corporation.

"Holiday" means New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

"Household Hazardous Waste" means any chemical, compound, mixture, substance, or article which is designated by the United States Environmental Protection Agency or appropriate agency of the State to be hazardous waste as that term is defined by or pursuant to Federal or State Law. The Clean Air Act prohibits the disposal of CFCs and HCFCs into landfills.

"Invitation to Bid" means the request of the City of Parma Heights for bids for Residential Solid Waste Collection, Disposal, and Recycling Services.

"Instructions to Bidders" means that portion of the Bid Documents that explains the background and procedures for submitting a Bid.

"Material Recovery Facility", "MRF" or "Recycling Facility" means a facility that sorts and processes Mixed Recyclables to prepare them for processing and reconstitution as a product sold in commerce.

"Municipality" means the City of Parma Heights, Ohio, located in Cuyahoga County.

"Notice of Award" means a written notification that the City of Parma Heights has accepted a Bid.

"Notice to Proceed" means a written notice from the City to commence the Residential Solid Waste Collection, Disposal, and Recycling Services.

"Performance Bond" means a bond or any other instrument acceptable to the City and in accordance with any local ordinance, insuring that the City is issued and guaranteeing the complete execution and performance of the Contract.

"Producer" means an owner or occupant of a Residential Unit who generates refuse.

"Recyclables" or "Mixed Recyclables" or "Recyclable Materials" includes, but is not limited to, cans (aluminum and steel); glass (bottles and jars); fiber (mixed paper, box board, and cardboard); and plastic bottles and jugs.

"Recycling Services" or "Recycling Processing Services" means the acceptance of Recyclables and recycling processing services provided by a Material Recovery Facility or Recycling Facility.

"Refuse" means all residential Refuse and Bulky Waste, limited Construction Debris, and Stable Matter generated at a Residential Unit unless the context otherwise requires.

"Residential Refuse" means all Garbage, Refuse, Rubbish, and Bulky Waste generated by a Producer at a Residential Unit.

"Residential Unit or Units" means all single-family residential dwellings within the corporate limits of each City and considered by that Participating Community to qualify as a Residential Unit, including residences of three (3) units or less and single-family condominiums. A Residential Unit shall be deemed "occupied" when either water or power services have been established.

"Residual Solid Waste" means Solid Waste Commingled with source-separated Recyclable Materials.

"Rubbish" means all waste wood, wood products, tree trimmings, grass cuttings, dead plants, weeds, leaves, dead trees, or branches thereof, chips, shavings, sawdust, printed matter, paper, pasteboard, rags, straw, used and discarded mattresses, used and discarded shoes and boots, combustible waste pulp and other products such as are used for packaging, or wrapping crockery and glass, ashes, cinders, floor sweepings, glass, mineral or metallic substances, and any other waste material not included in the definition of Bulky Waste, Construction Debris, Dead Animals, Garbage, Hazardous Waste or Stable Matter.

"Solid Waste" means unwanted residual or semi-solid materials resulting from Residential Units or community operations, but excluding earth or material from construction, mining, or demolition operations, or other waste materials of the type that would typically be included in demolition debris, non-toxic foundry sand, slag, and other substances that are not harmful to public health. Solid Waste does not contain any material that is an infectious or hazardous waste.

"Solid Waste Landfill" or "Solid Waste Disposal Facility" means an Ohio EPA permitted and licensed facility as defined by ORC 3734.01(N) and OAC 3745-27-01(S)(23) and identified by the Successful Bidder to be used for the disposal of Solid Waste.

"Solid Waste Transfer Station" or "Solid Waste Transfer Facility" means an Ohio EPA permitted and licensed facility that is used or intended to be used primarily for the purpose of transferring solid wastes that are generated off the premises of the facility from vehicles or containers into other cars or containers for transportation to a Solid Waste Disposal Facility.

"Stable Matter" means all manure and other waste matter typically accumulated in or about a stable, or any animal, livestock, or poultry enclosure, and resulting from the keeping of animals, poultry, or livestock.

"Successful Bidder" means the Bidder selected by the City to be responsive and the lowest and best Bidder in response to the Invitation to Bid.

"Term" means the duration of the Contract.

"Yard Waste" means grass clippings, leaves, twigs, branches, and other garden and/or yard refuse.

"32-Gallon Wheeled Cart" means a wheeled, rollout cart with a capacity of approximately 32 gallons, capable of holding approximately 100 pounds, with an integrated closing lid, which can be used for automated, semi-automated, or manual Solid Waste collection by the Contractor.

"64-gallon Wheeled Cart" means a wheeled, rollout cart with approximately 64 gallons of capacity, capable of holding approximately 200 pounds, with an integrated closing lid, which can be used for automated, semi-automated, or manual Solid Waste collection by the Contractor.

"96-Gallon Wheeled Cart" means a wheeled, rollout cart with a capacity of approximately 96 gallons, capable of holding approximately 300 pounds, with an integrated closing lid, which can be used for automated, semi-automated, or manual Solid Waste collection by the Contractor.

SCOPE OF SERVICES

A. Curbside Collection of Solid Waste and Recyclables:

Service and Service Area. The Contractor will provide weekly Curbside collection of Solid Waste and Recyclables from each Residential Unit within the corporate limits of the City of Parma Heights. The total estimated number of Residential Units to receive curbside collection is 6,236. All collections are to be made at the Curb.

Collection Option. The City will consider pricing for the automated or semi-automated curbside collection of Solid Waste and Recyclables using carts.

The Contractor will provide automated or semi-automated curbside collection of Solid Waste and Recyclables from each Residential Unit. The Contractor will provide all labor, vehicles, and supplies to each Residential Unit, including one 96-Gallon Wheeled Cart for Solid Waste and one 64-Gallon Wheeled Cart for Mixed Recyclables. Residents will not be allowed any other cart sizes except for Residential Units that qualify for Ohio's Homestead Exemption, which will be provided with 32-Gallon Solid Waste carts. Each recycling cart must have a large label/sticker on the exterior of the lid that identifies the types of Recyclables that residents should put into the cart. A copy of this sticker must be included in the Contractor's proposal. The City reserves the right to mandate changes to the sticker.

The Contractor will supply an additional 96-Gallon Wheeled Cart for Solid Waste and a 64-Gallon wheeled cart for Mixed Recyclables to any resident who requests one. Residents will be instructed to contact the Contractor directly to request the additional cart, and the Contractor will arrange delivery. The Contractor will charge the resident for the cart(s) at the pricing indicated on **Bid Form 9A**.

All carts must be either new or in good repair and condition, clean, and subject to the Bidder's Representations and Warranties in **Bid Form 3**. The Contractor will be responsible for promptly repairing or replacing any broken carts. The Contractor will also be responsible for replacing up to 50 lost or stolen carts at its expense per year, and any additional carts will be replaced at the resident's expense at the pricing indicated on **Bid Form 9A**. The Contractor will distribute the carts to each Residential Unit with advance approval from the City and notification to residents of the distribution date (see **Bid Form 1: Qualifications Statement – Implementation Schedule**).

The Contractor shall collect all Solid Waste from each Residential Unit's 96-Gallon or 32-Gallon collection container for Solid Waste. The Collection Contractor is not required to collect any Solid Waste or Excess Bagged Waste that is not placed in the collection container, except as provided herein.

Bulky Wastes. The Contractor is responsible for weekly collecting of Bulky Wastes. Bulky Waste is defined as any Solid Waste material that is either, by weight or by volume, too large to be contained in the Contractor-issued 32-Gallon or 96-Gallon Wheeled Cart. Items may include, but are not limited to, stoves, refrigerators, water tanks, washing machines, furniture, mattresses, and other household items and appliances. Bulky Wastes shall be collected weekly. The volume of material, bagged or individual item(s), cannot exceed two (2) cubic yards (6 feet wide x 3 feet tall x 3 feet deep).

Excess Bagged Waste. The Contractor will be responsible for the weekly collection of unlimited Excess Bagged Waste. Excessed Bagged Waste is defined as bagged or contained Solid Waste, Yard Waste or Construction Debris that is placed outside of the Cart as Solid Waste. Resident set-out Excessed Bagged Waste will be limited no larger than thirty-five (35) gallons nor exceed forty (40) pounds per bag or container, per week from each Residential Unit. The Contractor will be asked to notify the City in the event any resident habitually sets out Excess Bagged Waste, necessitating the need for an additional Cart at the Residential Unit. The City shall contact the resident to identify the source of the problem and communicate alternatives, such as an additional cart(s).

Appliances and Freon-Containing Appliances. The Contractor shall collect and recycle all metal Appliances (white goods) and shall properly remove any refrigerant contained in refrigerators, freezers, air conditioners, and dehumidifiers that are collected, and shall provide documentation, upon request, to verify the proper removal of refrigerant. The City will work with the Contractor to develop a procedure for collecting Freon-containing appliances, such as refrigerators, freezers, air conditioners, and dehumidifiers.

Yard Waste. The Contractor shall collect and dispose any yard waste set out at the curb that has been cut, bundled, or bagged. The Contractor is not required to collect yard waste set out that is more than four (4) feet in length and weighs more than fifty (50) pounds.

Construction and Demolition Debris. The Contractor is responsible for regularly collecting small amounts of Construction and Demolition Debris, measuring less than two (2) cubic yards, with no individual item weighing more than forty (40) pounds. The Contractor is not required to remove any other Construction and Demolition Debris. The Contractor will be asked to notify the City if any resident habitually sets out Construction and Demolition Debris. The City will then contact the resident and require the resident to rent a container.

Contaminated Recyclables. If the Contractor finds unacceptable materials placed within the Cart for Mixed Recyclables, the Contractor shall notify the Residential Unit of the unacceptable materials by indicating the reason on a Contamination tag and hanging it from the Cart's handle.

Collection Equipment and Safety. The Contractor must provide an adequate number of collection vehicles to provide for the efficient collection of Solid Waste and Recyclables. All vehicles must always be kept in good repair and appearance and in a clean and sanitary condition. All vehicles must be clearly marked with the Contractor's identity and telephone number. This information must be visible on the back and on the sides of the car. All vehicles must be designed to capture liquids to prevent liquids from leaking from the car and onto City streets. Collection vehicles must be equipped with all federal and state-mandated safety devices. Vehicles shall also be equipped with front and rear-mounted strobe lights, a rear-view camera system for increased backing visibility, high-visibility conspicuous tape, a Class ABC 20 lb. fire extinguisher, a first aid kit, three red/orange safety triangles, a daily vehicle inspection report, and an incident reporting kit with instructions.

Drivers must wear uniforms, including a high-visibility shirt, vest, or jacket. The employee must be trained in OSHA, DOT, and the company's safety rules and policies, as documented in the driver's file and available for inspection by the City.

Collection Frequency and Hours. Solid Waste and Recyclable Collection will be provided to each Residential Unit weekly. Collection must take place between 7:00 a.m. and 7:00 p.m., and the Contractor must adhere to all the City's noise ordinances. If, for any reason, the Contractor is unable to collect on the scheduled day, the Contractor will notify the City of the reason and the anticipated duration of the delay. If at any time the Contractor falls behind the regular collection schedule for more than one (1) day, the City may, at its discretion, arrange for Solid Waste and Recyclables to be collected by any available means. The full cost of such collection will be paid by the Contractor and not be charged to the City. Example: If there are four collection weeks in a month and the Contractor is required to pay the collection costs as set forth above, the Contractor shall invoice the City for only three-fourths (3/4) of the monthly invoice total.

Collection Routes and Collection Day(s). The City shall require that all Solid Waste and Recyclables be collected on the same day. The City's current collection day is Wednesday. The Contractor shall maintain the City's current one-day collection. All collection days proposed must be specified in the Contractor's bid and are subject to approval by the City. The Contractor may develop its own collection routes and schedule, subject to City approval. Upon the City's approval, the Contractor will provide written notice of the collection day schedule to all Residential Units.

Holidays. The following will be holidays for the Contract: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. The Contractor may observe any of these holidays by suspending collection service on the holiday and resuming collection service the following day.

B. Solid Waste Transfer and Disposal Services:

The Contractor is responsible for delivering all solid waste to a licensed Solid Waste Transfer Station or licensed Solid Waste Landfill for disposal. The Contractor must identify the Solid Waste Transfer Station and the Solid Waste Landfill that will be used in the performance of this contract. The Contractor shall pay all charges, costs, fees, and expenses incurred for the disposal or transfer of the Solid Waste collected by the Collection Contractor.

C. Recycling Services:

The Contractor is responsible for delivering all Mixed Recyclables to a Material Recovery Facility for processing. The Material Recovery Facility must be able to recycle the following materials at a minimum: cans (aluminum and steel), glass (bottles and jars), fiber (mixed paper, boxboard, and cardboard), and plastic bottles and jugs. In addition to any materials identified in the Bid Document, the Contractor may add supplemental materials to the Recycling list. Any additional materials should be identified in the Contractor's proposal. The Contractor shall pay all charges, costs, fees, and expenses incurred for the processing of the Recyclable Materials collected by the Collection Contractor.

D. Container Services:

The Contractor must provide containers for collecting and disposing of Solid Waste and Recyclables at municipal locations. The following table shows the current location of containers, container sizes, and collection frequencies. These containers must be emptied at the frequency listed, at a minimum, and within one (1) business day following a request from the City's Director of Public Service for an additional collection. The City reserves the right to modify container size, location, and/or collection frequency at any time during the contract at no extra charge. The City may allow relocation of these containers for special events. The Contractor shall be available to supply the City with additional cubic yard containers upon request at the pricing indicated on **Bid Form 9B**.

Table 2: Current Container Services and Special Events

Location	Solid Waste	Recycle	Frequency
City Hall 6281 Pearl Rd.	(2) 96-gallon carts	(1) 64-gallon cart	Weekly
Service Garage 6184 Pearl Rd.	(1) 40-yard roll off w/compactor		As needed 24 hour- notice to pick up

Parma Heights Fire Dept. 6184 Pearl Rd.	(1) 2-yard dumpster		Weekly
Cassidy Theater 6200 Pearl Rd.	(1) 2-yard dumpster		Weekly
Senior Center 9275 North Church Dr.	(1) 4-yard dumpster		Weekly
Various Receptacles (see EXHIBIT E)			Weekly

E. Customer Education:

The Contractor will be responsible for providing Solid Waste and Recycling collection information to residents as follows:

The Contractor, at the Contractor's sole cost and expense, shall prepare and annually mail to each Residential Unit served under this Contract a brochure that contains the City-approved requirements for Solid Waste and Recycling Collection. Information to be included in the brochure shall consist of: the Contractor's phone number; cart set out guidelines; the day of collection; a description of the Solid Wastes and Recyclables appropriate for collection; procedures for disposing of bulky items, appliances, Freon-containing appliances and yard waste; complaints; holiday schedule; and any other information that explains how the Solid Waste and Recycling collection will be provided. The Contractor shall provide the City with an additional one hundred (100) copies of the brochure relevant for Residential Units with curbside collection services for distribution to new Residents or to Residents that request an extra copy. The Contractor shall provide a sample of the brochure with the Bid to the Director of Public Service for approval, no later than November 16, 2026 and shall mail the approved brochure to each Residential Unit no later than December 16, 2026, and during December each year thereafter. (see **Bid Form 1: Qualifications Statement – Implementation Schedule**).

F. Customer Service and Notification:

The Contractor will provide a customer service phone number (on **Bid Form 3**) and an email address for receiving and responding to questions or complaints. The customer service phone and email must be staffed from 8:00 a.m. to 5:00 p.m. on regular collection days. All resident questions or complaints must be given prompt and courteous attention. In the event of any alleged missed collection, the Contractor will investigate and, if the allegation is verified, arrange for collection within one (1) business day of receipt of the complaint.

G. **Record Keeping:**

Solid Waste, Recycling Tonnages. The Contractor must submit a monthly record of the total tonnage of Solid Waste and Recyclables collected for the preceding month. The report must be submitted to the City, along with the monthly invoice, within ten (10) days of the prior month.

Complaint Log. The Contractor must submit a monthly complaint log that includes the name, address, phone number, date, time, and description of each complaint received, along with its resolution. The report must be submitted to the Director of Public Service within ten (10) days of the preceding month. The City maintains the right to request a copy of the complaint log at any time.

List. The Contractor must maintain an accurate list of Residential Units receiving services, along with the total number of Solid Waste and Recycling Carts and sizes of each. The City maintains the right to request a copy of the list at any time

H. **Billing and Fuel Adjustments:**

Invoices. The Contractor will invoice the City for services rendered within ten (10) days following the end of the month. The invoice must be sent to the City Hall, to the attention of the Director of Finance.

Fuel Price Adjustment. No Fuel Price Adjustment or surcharges may be applied.

I. **Disaster Management:**

The City of Parma Heights intends to be prepared to address debris removal for any natural or artificial disaster that generates significant amounts of debris that cannot be disposed of as part of the weekly service. Bidders shall supply a disaster management proposal (Bid Form 10) including, but not limited to, a detailed scope of service and the costs associated with each level of service. The focus will be on prompt removal of both natural and artificial debris placed in or near the public right-of-way.

Included in this proposal should be a list of collection and waste-disposal methods, along with a timeframe for response. A list of references for both the bidder and any proposed subcontractors should be included in the proposal. An explanation of general emergency waste collection experience and knowledge of FEMA reporting requirements should be delineated.

This service, and any associated costs, shall be initiated at the sole request of the City. Billing for these services shall be separate from all other billing.

EXHIBIT D: Performance Bond

PERFORMANCE BOND FOR THE PROVISION OF COLLECTION SERVICES

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned Collection Services Provider ("Principal") and [insert name of surety] ("Surety"), a corporation organized and doing business under and by virtue of the laws of the State of Ohio, and duly licensed for the purpose of making, guaranteeing, or becoming sole surety upon bonds or undertakings required or authorized under the laws of the State of Ohio, and that the liability incurred is within the limits of section 3929.02 of the Revised Code are held and firmly bound unto the City of _____ ("Beneficiary") Beneficiary in the sum of _____, in lawful money of the United States, of such sum to be made, the Principal and Surety bind ourselves, and each of our administrators, successors, and assigns, jointly and severally, firmly by this Performance Bond

THE CONDITION OF THIS OBLIGATION is such that whereas, the Principal entered into a certain Collection Services Agreement by and between Principal and Beneficiary, dated the day of [INSERT DATE], a copy of which is hereto attached and made a part hereof, for the collection, transportation and delivery for disposal or processing of Solid Waste, Recyclable Materials and Yard Waste generated by Residential Units, Municipal Facilities and during Special Events to City-Designated Facilities ("Collection Services")

NOW, THEREFORE, if the Principal shall well, honestly and faithfully perform its duties, all the undertakings, covenants, terms, conditions, and agreements of said Collection Services Agreement during the original term thereof, and any extensions thereof which may be granted by the Beneficiary, with or without notice to the Surety and during the one year guaranty period, and if Principal shall satisfy all claims and demands incurred under such Collection Services Agreement, and shall fully indemnify and save harmless the Beneficiary from all costs and damages which it may suffer by reason of failure to do so, and shall reimburse and repay the Beneficiary all outlay and expense which the Beneficiary may incur in making good any default, then this obligation shall be void; otherwise, to remain in full force and effect

PROVIDED FURTHER, that said Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the Collection Services Agreement to be performed thereunder or the specifications accompanying the same shall in any way affect Surety's obligation on the Performance Bond. Surety does hereby waive notice of any such change, extension of time, alteration, or addition to the terms of the Collection Services Agreement

IN WITNESS WHEREOF, the Principal and Surety have executed this Performance Bond under their several seals, if any, this _____ day of [INSERT DATE], by their respective representatives, pursuant to authority of their respective governing bodies.

BID FORM 3

Bidder's Representations and Warranties

Each Bidder, by submitting a Bid, represents and warrants to the City of Parma Heights the following:

1. Bidder has read and understands the Bid Documents and the Bid is made in accordance therewith.
2. Bidder, before submitting a Bid, has familiarized itself with the Residential Solid Waste Collection, Disposal, and Recycling Services requested.
3. Bidder will provide Residential Solid Waste Collection, Disposal, and Recycling Services in compliance with all federal, state, and local laws, ordinances, rules, and regulations that may in any manner affect costs, progress, or performance of the Residential Solid Waste Collection, Disposal, and Recycling Services.
4. Bidder will not discriminate, for any reason, against any person or employee, based on race, color, religion, sex, age, disability, national origin, or ancestry, in the hiring and supervision of employees for the performance of Residential Solid Waste Collection, Disposal, and Recycling Services.
5. Bidder is incorporated in or authorized to do business in the State of Ohio.
6. Bidder warrants that the Solid Waste Transfer Station, Solid Waste Landfill, Material Recovery Facility, or legitimate Recycling Facility is in operation and, to the best of Bidder's knowledge, will remain in operation during the term of the Contract.
7. Bidder warrants that any Collection Contractor-provided collection container shall be free from defects and engineered to last for not less than five (5) years.

BID FORM 10

Disaster Management

The City of Parma Heights intends to be prepared to deal with the debris removal aspects of any natural or artificial disaster that generates significant amounts of debris that cannot be disposed of as part of the weekly service. Bidders shall submit a disaster management proposal that includes, but is not limited to, a detailed scope of services and the costs associated with each service level. The focus will be on prompt removal of both natural and artificial debris from or near the public right-of-way.

Included in this proposal should be a list of collection and waste-disposal methods, along with a timeframe for response. A list of references for both the bidder and any proposed subcontractors should be included in the proposal. An explanation of general emergency waste collection experience and knowledge of FEMA reporting requirements should be delineated.

This service, and any associated costs, shall be initiated at the sole request of the City. Billing for these services shall be separate from all other billing.

Rumpke Waste & Recycling

CITY OF PARMA HEIGHTS, OHIO

RESIDENTIAL SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING SERVICES
BID

DISASTER MANAGEMENT PLAN

If awarded the contract for waste services for the City of Parma Heights, Rumpke of Ohio, Inc. would work closely with the City in the event of disaster. Proposed services would be a compactor truck with curbside collection for all residences. Rumpke will work with the City to determine the number of vehicles/labor and time needed based on the situation and at the City's direction.

Hourly Charge for a Truck/Driver: \$250.00 Per Hour
Charge for Disposal Per Ton: \$57.00 Per Ton

www.rumpke.com | 1-800-828-8171

BID BOND

Each Bid must contain all Bid Forms and be accompanied by a separate Bid Bond payable to the City of Parma Heights in the amount of ten percent (10%) of the first-year Bid price (collection only) as security that, if the Bid is accepted, the Bidder will perform the work. Please attach.

BID OR PROPOSAL BOND

KNOW ALL BY THESE PRESENTS, That we, Rumpke of Ohio, Inc.

of 3990 Generation Drive, Cincinnati, OH 45251 (hereinafter called the Principal),

as Principal, and Atlantic Specialty Insurance Company

(hereinafter called the Surety), as Surety, are held and firmly bound unto City of Parma Heights

6281 Pearl Road, Parma Heights, OH 44130

(hereinafter called the Obligor) in the penal sum of Ten Percent of Amount Bid

Dollars (\$ 10%)

for the payment of which the Principal and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

SIGNED and SEALED this 30th day of March, 2026.

THE CONDITION OF THIS OBLIGATION IS SUCH, That, whereas the Principal has submitted or is about to submit a proposal to the Obligor on a contract for Residential Solid Waste Collection, Disposal and Recycling Services Bid

NOW, THEREFORE, if the said contract be timely awarded to the Principal and the Principal shall, within such time as may be specified, enter into the contract in writing, and give bond, if bond be required, with surety acceptable to the Obligor for the faithful performance of the said contract, then this obligation shall be void; otherwise to remain in full force and effect.

Power of Attorney

Principal: Rumpke of Ohio, Inc.
Residence: City of Parma Heights

KNOW ALL MEN BY THESE PRESENTS, that ATLANTIC SPECIALTY INSURANCE COMPANY, a New York corporation with its principal office in Plymouth, Minnesota, does hereby constitute and appoint: Jessica Hernandez, each individually if there be more than one named, its true and lawful Attorney-in-Fact, to make, execute, seal and deliver, for and on its behalf as surety, any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof; provided that no bond or undertaking executed under this authority shall exceed in amount the sum of: **unlimited** and the execution of such bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof in pursuance of these presents, shall be as binding upon said Company as if they had been fully signed by an authorized officer of the Company and sealed with the Company seal. This Power of Attorney is made and executed by authority of the following resolutions adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the President, any Senior Vice President or Vice-President (each an "Authorized Officer") may execute for and in behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and affix the seal of the Company thereto; and that the Authorized Officer may appoint and authorize an Attorney-in-Fact to execute on behalf of the Company any and all such instruments and to affix the Company seal thereto; and that the Authorized Officer may at any time remove any such Attorney-in-Fact and revoke all power and authority given to any such Attorney-in-Fact.

Resolved: That the Attorney-in-Fact may be given full power and authority to execute for and in the name and on behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and any such instrument executed by any such Attorney-in-Fact shall be as binding upon the Company as if signed and sealed by an Authorized Officer and, further, the Attorney-in-Fact is hereby authorized to verify any affidavit required to be attached to bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof.

This power of attorney is signed and sealed by facsimile under the authority of the following Resolution adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the signature of an Authorized Officer, the signature of the Secretary or the Assistant Secretary, and the Company seal may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing an Attorney-in-Fact for purposes only of executing and sealing any bond, undertaking, recognizance or other written obligation in the nature thereof, and any such signature and seal where so used, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, ATLANTIC SPECIALTY INSURANCE COMPANY has caused these presents to be signed by an Authorized Officer and the seal of the Company to be affixed this first day of January, 2023.

By

Sarah A. Kolar, Vice President and General Counsel

STATE OF MINNESOTA
HENNEPIN COUNTY

On this first day of January, 2023, before me personally came Sarah A. Kolar, Vice President and General Counsel of ATLANTIC SPECIALTY INSURANCE COMPANY, to me personally known to be the individual and officer described in and who executed the preceding instrument, and she acknowledged the execution of the same, and being by me duly sworn, that she is the said officer of the Company aforesaid, and that the seal affixed to the preceding instrument is the seal of said Company and that the said seal and the signature as such officer was duly affixed and subscribed to the said instrument by the authority and at the direction of the Company.

Notary Public

I, the undersigned, Secretary of ATLANTIC SPECIALTY INSURANCE COMPANY, a New York Corporation, do hereby certify that the foregoing power of attorney is in full force and has not been revoked, and the resolutions set forth above are now in force.

Signed and sealed. Dated 30th day of March, 2026.

Kara L.B. Barrow, Secretary

This Power of Attorney expires

This Addendum is issued to provide responses to questions received from prospective bidders. All bidders shall acknowledge receipt of this Addendum in their bid submission. This Addendum becomes part of the Contract Documents.

Question 1: Contract Term and Renewal Options

Clarification is requested regarding the contract renewal provisions, including whether renewal options are at the sole discretion of the City and to address consistency between Sections referencing the two (2) one-year renewal terms.

Response: The City intends to maintain renewal options at its sole discretion. The Contract will be revised to ensure consistency between all sections referencing the two (2) one-year renewal options.

Question 2: Estimated Tonnage

Clarification is requested regarding the estimated annual tonnage, as the total stated differs from the amounts reflected in the breakdown table.

Response: The tonnage figures provided are estimates for bidding purposes only and are not guaranteed. Variations may occur due to seasonal fluctuations and reporting differences. Bidders are encouraged to rely on their own due diligence.

Question 3: Homestead Exemption

Clarification is requested regarding the administration of the Homestead Exemption cart program, including how qualifying properties are identified, how the Contractor will be notified, and whether there are any jurisdictional differences affecting eligibility.

Response: The City will provide the Contractor with a list of qualifying addresses at the start of the contract and will update this list periodically. The Contractor is not responsible for determining eligibility. The program referenced is the State of Ohio Homestead Exemption program.

Question 4: Appliances and Freon Removal

Clarification is requested regarding the requirement for removal of refrigerants from appliances, including whether pre-removal by residents may be permitted.

Response: The City will allow refrigerant-containing appliances to be set out only if refrigerant has been properly removed and the appliance is tagged or certified accordingly. The Contractor remains responsible for ensuring compliance with all applicable environmental regulations.

Question 5: Bulky Items and Excess Waste

Clarification is requested regarding bulky waste and excess waste collection requirements, including applicable volume or item limits and handling requirements for items such as mattresses and upholstered furniture.

Response: The City has identified that certain language related to bulky waste and excess waste was inadvertently placed in the incorrect section of the bid documents. The City will revise the language to clarify service limits. Bulky waste collection shall be limited to a maximum of six (6) items per week per household. Mattresses, box springs, and upholstered furniture must be wrapped in plastic and sealed prior to collection. These requirements reflect standard residential waste generation practices and shall be communicated to residents through the Contractor's educational materials.

Question 6: Disaster Management

Clarification is requested regarding the evaluation of disaster management services, including whether this component will be a factor in bid award and the level of detail required in the proposal.

Response: Disaster management will not be a primary factor in determining the lowest and best bid but will be evaluated for responsiveness and capability. The City is primarily seeking defined response methods, timelines, and unit pricing (e.g., container rates and debris removal).

Question 7: Recycling Cart Labeling Requirements

Clarification is requested regarding whether recycling cart labeling requirements apply to existing carts if the current contractor is retained.

Response: The requirement for recycling cart labeling applies to all carts in service under the Contract. If existing carts already contain labels that meet the City's current standards, replacement will not be required. However, the City reserves the right to require updated labeling if existing labels are missing, damaged, or inconsistent with the City's approved recycling program.

Question 8: Alternative Communication Methods

The Contractor requests consideration of allowing digital communication methods in place of, or in addition to, the required mailed educational materials.

Response: The City will maintain the requirement for a city approved annual mailed brochure to ensure all residents receive consistent and accessible information. The

Contractor may supplement this requirement with digital content, including materials for the City's website and electronic notifications, subject to City approval.

Question 9: Clarification on Excess Waste Collection Requirements

The Contractor requested clarification regarding the apparent conflict between container-only collection requirements and the provision for excess bagged waste collection.

Response: The City acknowledges the need for clarification. The intent of the Contract is that the Contractor shall collect excess bagged waste placed outside of the cart, subject to reasonable residential limits. The City will revise the language to clarify that excess waste collection is permitted but limited to a maximum of six (6) items or equivalent per week per household.

Question 10: Record Keeping Requirements Modification

The Contractor requests modification of the requirement to report all non-set-out units, and proposes reporting only patterns of non-participation or service-related concerns.

Response: The Contractor and the City may agree to utilize a different procedure, provided such agreement is in writing.

Question 11: Bond Requirements

Clarification is requested regarding the performance bond requirements, including acceptable bond forms, the scope of coverage, and the inclusion of penal sum (limit of liability) provisions.

Response: Bidders shall comply with the performance bond requirements as set forth in the bid documents.

Question 12: Bid Form 7

The City has identified that a portion of Bid Form 7 was inadvertently omitted from the bid documents. The corrected Table is provided below and shall replace the original table in its entirety. Bidders shall base their proposals on the revised table provided herein.

Material	Materials Accepted in Curbside Program YES or NO	Company(ies) Receiving Processed Recyclables (End Markets)
Aluminum Cans	YES	Schupan & Sons - Kalamazoo, MI
Aluminum Cups	YES	Schupan & Sons - Kalamazoo, MI

ADDENDUM ACKNOWLEDGMENT FORM

Project: Residential Solid Waste Collection, Disposal, and Recycling Services
Owner: City of Parma Heights

The undersigned Bidder hereby acknowledges receipt of the following
Addendum/Addenda:

Company Name: RUMPKE OF OHIO, INC.

Authorized Representative: William J. Rumpke, Jr.

Title: President

Signature: 

Date: April 10, 2026

Rumpke Waste & Recycling

CITY OF PARMA HEIGHTS, OHIO

RESIDENTIAL SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING SERVICES BID

IMPLEMENTATION PLAN

Rumpke has worked with hundreds of communities to successfully introduce and implement waste and recycling programs. From communicating changes to residents and businesses, to skillfully designing efficient routes, to delivering thousands of waste and recycling containers to customers, Rumpke's team works with municipalities to ensure a successful launch/transition of a waste and recycling program.

Rumpke recommends the following implementation plan:

May 2026 – Contract is Awarded

- Rumpke will meet with the City to review the new program and verify services.
- Rumpke will place an order for trash and recycle carts.

June-July-August 2026

- Rumpke will confirm the delivery and receipt by the City of our proof of insurance, proof of workers compensation coverage, and the required performance bond.
- Rumpke will update customer information and review route information with the City.
- Rumpke will work with the City to prepare draft communications pieces including social media posts and direct mailer brochures.

September-October 2026

- Rumpke will identify the number of vehicles, make, year and model, and type of vehicle that will be used for service. Rumpke will also verify all drivers have completed the required training.
- Rumpke will continue meeting with the City to review the new program.

November-December 2026

- Rumpke will provide a sample brochure for review by the City.
- Following approval, Rumpke will mail the finalized brochure to each Residential Unit.
- Rumpke will deliver trash carts to each residential unit and verify when completed.

January 1, 2027

- Rumpke service starts.

Rumpke Waste & Recycling

Experience Statement

Our Story

Rumpke Waste & Recycling is one of the largest waste and recycling firms in the United States. The company began in 1932, when William F. Rumpke operated a coal and junkyard business in Carthage, Ohio, which later morphed into a hog farm. William, with help from his brother Bernard, collected garbage from business owners to feed their large hog stock. As the years passed, William and Bernard converted their hog farm into a trash collection business and created the company's first landfill. Today, the company is managed by William Rumpke's grandson, President & CEO William Rumpke Jr., along with other family members, an outside board of directors and a corporate management team.

Over the years, Rumpke has increased its service area to become one of the largest, privately-owned waste and recycling service providers in the nation, serving millions of residential, commercial and industrial customers throughout the United States.

Rumpke continues to grow through acquisitions, organic opportunities and investments in technology. Today, the company owns or operates 16 landfills and 16 recycling centers serving customers throughout Ohio, Kentucky, Indiana, Illinois and West Virginia.

With a fleet of more than 2,300 hauling vehicles and a workforce of approximately 4,400 employees, Rumpke is a leader in environmental solutions. After almost 100 years, Rumpke remains a strong player in the industry, serving about 2 million residential and commercial customers, and nearly 500 municipal contracts daily.

One of Rumpke's other divisions, The William-Thomas Group, also services national accounts using a nationwide network of more than 5,000 waste haulers.

Rumpke's first landfill is one of the largest Sub-Title D landfills in the United States, accepting up to 12,500 tons of trash daily. The landfill is located in Colerain Township (near Cincinnati), and serves as the company's corporate headquarters. Rumpke owns or operates the following landfills:

- Athens-Hocking Landfill (Nelsonville, Ohio)
- Bartholomew County Landfill (Columbus, Indiana)
- Beech Hollow Landfill (Wellston, Ohio)
- Bond Road Landfill (West Harrison, Ohio)
- Brown County Landfill (Georgetown, Ohio)
- Boyd County Sanitary Landfill (Ashland, Kentucky)
- Crawford County Landfill (Bucyrus, Ohio)
- Effingham County Landfill (Effingham, Illinois)
- Henry County Landfill (New Castle, Indiana)
- Jackson County Landfill (Medora, Indiana)
- Lake County Landfill (Painesville, Ohio)
- Montgomery County Landfill (Mt. Sterling, Kentucky)
- Noble Road Landfill (Shiloh, Ohio)
- Pendleton County Landfill (Butler, Kentucky)
- Pike Sanitation Landfill (Waverly, Ohio)
- Rumpke Sanitary Landfill (Colerain Township, Ohio, near Cincinnati)

RUMPKE

Rumpke Waste & Recycling

Commitment to Sustainability

Rumpke works with businesses, industries, residents, communities and municipalities to start and sustain successful waste diversion and recycling programs. Rumpke's first recycling location was established in 1941 in Southwestern Ohio. The operation was primitive compared to today's recycling technologies, and consisted mostly of manual sorting.

In 1989, Rumpke purchased a recycling operation in Pickaway County, Ohio. This purchase—which marked the start of Rumpke's official recycling division—was followed by a second site in Cincinnati in 1991. Dual-stream facilities opened in Columbus and Dayton, Ohio, Louisville and Ashland, Kentucky, and Indianapolis, Indiana, throughout the 1990s. The facilities met a critical demand for communities seeking to divert material from landfills.

As the recycling industry grew, Rumpke remained at the forefront and continued investing in the latest technologies. Today, Rumpke provides the regional framework necessary to serve residential, commercial and industrial customers.

Rumpke owns and operates three of the most advanced recycling facilities in the nation, including the Rumpke Recycling & Resource Center in Columbus, Ohio, a glass processing site in Dayton, Ohio, and Rumpke Recycling in Cincinnati, Ohio. These advanced facilities make Rumpke a regional recycling leader.

Via positive negotiations, Rumpke has secured long-term and stable marketing agreements with regional, domestic manufacturers that purchase recyclables for use as raw materials. Rumpke's end-user network is further assurance that items collected and processed by Rumpke are being recycled and put to good use.

Rumpke offers complete environmental solutions including much more than earth-friendly disposal and recycling services. Rumpke services also include composting (where available), construction recycling and e-waste and universal waste hauling options for recycling.

Rumpke is even making a difference at its landfills. At Rumpke Sanitary Landfill, near Cincinnati, the company recovers landfill gas and converts it into natural gas energy for more than 30,000 homes. The operation is the largest landfill gas to direct pipeline energy system in the world, and it's been in operation since 1986. Rumpke also boasts landfill gas to energy systems at eight other landfills producing energy for more than 70,000 homes and businesses.

Rumpke works to make sustainability common practice throughout company operations by educating employees and implementing practices to conserve water, construction materials and fuel. Today, Rumpke recycles more than a million tires annually, using them as drainage layers or separation barriers for landfills.

In 2011, the firm opened compressed natural gas filling stations and began a pilot program to run garbage trucks on green energy. Today, Rumpke's compressed natural gas fleet has grown to more than 600 vehicles and compressed natural gas fueling stations can be found at Rumpke's Cincinnati and Columbus, Ohio locations as well as at its site in Louisville, Kentucky.

Rumpke is also a leader in transparency, community outreach and education. Thousands of visitors tour Rumpke sites each year to learn more about proper waste and recycling practices and environmental protection. The firm offers presentations and hosts open houses to teach the public about the components of a complete environmental solution.

RUMPKE

Rumpke Waste & Recycling

Compliance

Rumpke's Engineering and Environmental Affairs Division oversees landfill regulatory compliance, environmental monitoring, planning and design, and construction management. Rumpke's engineers, environmental scientists and technicians work with consultants to meet or exceed all compliance standards set forth by local, state and federal regulators.

Staying Safe

Safety is a top priority at Rumpke. Rumpke and its divisions employ a Corporate Safety Department with members working throughout Rumpke's service regions. The safety team consists of Department of Transportation (DOT), Occupational Safety and Health Administration (OSHA), Fire Prevention and Loss Control departments, as well as site safety supervisors. Beyond conducting compliance and safety audits, the team presents initial and continuing education opportunities for all Rumpke employees.

Monthly in-service meetings highlight seasonal safety issues, and throughout the year specialized courses are developed and implemented. Techniques are learned, practiced, observed and evaluated for continuous improvement.

Rumpke divisions strive to comply with all OSHA, DOT, EPA and other related regulations. Employees attend new hire, annual and in-service safety and health training for the tasks they are assigned to perform.

Strong Foundation Provides Best Service & Overall Customer Experience

The Rumpke family's involvement, a well-trained and expert staff, and the best technology available combine to ensure a wonderful experience for customers. Rumpke's commitment to providing the best service available at a fair price is an advantage that encourages customers such as, Procter & Gamble, Duke Energy Corp., Columbus Blue Jackets, Cincinnati Reds, Yum Brands, U.S. Postal Service, the Cleveland Browns and Home City Ice to count on Rumpke to manage all their waste and recycling needs.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders of
Rumpke Consolidated Companies, Inc. and Subsidiaries:

Opinion

We have audited the consolidated financial statements of Rumpke Consolidated Companies, Inc. and subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations and comprehensive income, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Statement of Qualifications

Statement of Qualifications

Rumpke's Cleveland Region

Background

Rumpke's Cleveland Region was established in 2009 and includes:

- Lake County Landfill operated for Lake County, Ohio
- Noble Road Landfill in Mansfield, Ohio
- Hauling operations, maintenance facility and administrative offices in Broadview Heights and Mansfield, Ohio
- Recycling/transfer station in Richland County, Ohio
- Transfer stations in Cuyahoga County (Broadview Heights Transfer Station and Harvard Road Transfer Station)
- Recycling/transfer station operated for Medina County, Ohio
- Recycling plant, City of Akron

Equipment

Rumpke's Cleveland Region has a fleet of more than 220 trucks, including roll off, front load and rear load for both waste and recycling collection.

Employment

The Region employs about 380 employees including drivers, equipment operators, mechanics, general laborers, commercial and municipal sales representatives, managers and administrative personnel.

Service Offerings

Rumpke's Cleveland Region facilities offer comprehensive waste removal, disposal and recycling options to residential, commercial and industrial customers.

Services include municipal solid waste removal and disposal, roll off containers, commercial containers, compactors and residential and commercial recycling collection where available.

Service Territory

Rumpke's Cleveland Region provides service to communities in businesses in the following Ohio counties:

- | | | |
|------------|------------|----------|
| • Ashland | • Lorain | • Seneca |
| • Cuyahoga | • Medina | • Stark |
| • Holmes | • Morrow | • Summit |
| • Huron | • Portage | • Wayne |
| • Knox | • Richland | |
| • Lake | • Sandusky | |

Municipal Contracts

Rumpke's Cleveland Region provides contracted residential waste removal services, curbside recycling and drop-off box recycling programs for over 50 municipalities and solid waste districts within its service footprint.

Key Personnel

Key management personnel for Rumpke's Cleveland Region include the following:

- Andrew Rumpke, President
- Thomas Rose Jr., Vice President
- Jeremy Yeager, Region Sales Manager
- Garrett Looney, Assistant Sales Manager
- Jeffrey Snyder, Vice President, Recycling & Sustainability
- Joseph Schoffstall, Municipal/Public Sector Representative
- Dave Pagani Jr., Noble Road Landfill Manager
- Jeremy Wandall, Mansfield Operation Manager
- Stephen Dunlap, Cleveland Operations Manager
- Montgomery Napier, Richland County Transfer/ Recycling Facility Manager
- Steve Weber, Broadview Heights & Harvard Road Transfer Station Manager
- Sarah Gramyka, Medina Plant Manager
- Rich Chandler, Industrial Waste Disposal/Third Party Disposal

HOLIDAY SCHEDULE

Holidays that will affect your Rumpke service day:

- New Year's Day
- Memorial Day
- 4th of July
- Labor Day
- Thanksgiving Day
- Christmas Day

If the date of the actual holiday is the day-of or a weekday before your service day: Service will be delayed 1 day that week.

If the date of the actual holiday is on a weekday after your service day or on Saturday or Sunday: Service will occur as scheduled.

Visit www.rumpke.com for a complete holiday schedule.

Waste & Recycling

Notification Plan – Stickers

Curbside Solid Waste Collection

Please visit us at www.rumpke.com or call us directly at 1-800-828-8171.

We're sorry; however, we are unable to service your account today because:

Payment

- ☐ Non-payment, there is an outstanding balance on your account.
- ☐ You are not registered as a Rumpke customer.

Containers & Collection

- ☐ This container requires a one-time use sticker.
- ☐ The container is unacceptable size; it exceeds the acceptable gallon limit.
- ☐ The container is an improper container—Drums, barrels, yard receptacles or other non-waste containers are not acceptable.
- ☐ The weight of your container exceeds the maximum allowable weight.
- ☐ The amount of waste at the curb exceeds allowable limits.
- ☐ Access to your container was blocked (trees, signs, cars, mailboxes, construction, etc.).
- ☐ Bulk items require special scheduled collection.
- ☐ Your trash or recycling was not placed at the curb the night before scheduled collection.

Yard Waste Collection

- ☐ Local law prevents Rumpke from collecting yard waste mixed with trash.
- ☐ Loose material must be bundled into proper lengths and widths.
- ☐ Plastic bags cannot be placed with yard waste materials.
- ☐ Separate yard waste collection is not available in your area.

Unacceptable Items

- ☐ Combustible/liquid materials are not accepted.
- ☐ Fluorescent bulbs are not accepted.
- ☐ Chlorofluorocarbon (CFC) containing appliances are not accepted.
- ☐ Other: _____

Thank you for choosing Rumpke. We appreciate your attention to this matter and your business.

Recycling Collection

Please visit us at www.rumpke.com or call us directly at 1-800-828-8171.

We're sorry; however, we are unable to service your account today because:

Your recycling container included an unacceptable amount of contamination (waste material). Please review a complete list of acceptable recyclables below or visit www.rumpke.com anytime for more information.

Residents can recycle the following items:

- Plastic bottles and jugs
- Glass bottles and jars
- Aluminum cans
- Steel cans and lids
- Paperboard (like cereal boxes)
- Cardboard
- Office paper
- Envelopes and junk mail
- Newspapers, magazines and inserts
- Telephone books and catalogs
- Cartons

Thank you for recycling. Rumpke appreciates your business.

- Christmas Day

TRASH AND RECYCLING SERVICE GUIDELINES

- Residents will be billed \$XX.XX per month for trash and recycling.
- All trash must be placed at the curb for pick-up. Trash and recycling must fit inside the Rumpke-issued carts for pick up. Residents may set out an additional 6 bags or three 32-gallon carts of trash.
- Please do not place household hazardous waste such as batteries, paint, tires, pool chemicals, propane tanks and syringes in your trash or recycling. These items pose an immediate fire and safety hazard and potential long-term environmental hazard.
- Set out trash and recycling the evening before your service day.
- Place your recycling loose inside the cart—DO NOT bag recyclables.
- Place yard waste with your trash.

CART PLACEMENT GUIDELINES

1. Place items inside the cart and close the lid.
2. Face the opening toward the street (face handle away).
3. Place cart within 3 ft. of the Street and 3 ft. from objects.

BULKY LARGE ITEMS

Rumpke will collect bulk items such as appliances, mattresses, box springs, sofas, large furniture items, etc. weekly on your service day.

- Upholstered items including sofas and mattresses must be wrapped in a sealable plastic.
- Residents do not need to call ahead to schedule bulk pickup.

Please bundle branches and bag leaves or grass clippings before placing in your trash.

PLEASE RECYCLE THE FOLLOWING ITEMS:

PAPER

Cardboard should fit inside cart.

PLASTICS

Bottles, jugs, tubs and cups

Reattach lid. Yogurt and fruit cups OK.

METAL CANS & CUPS

Non-hazardous, non-flammable material only.

GLASS BOTTLES & JARS

* Large Items will be an additional charge for Bagged Customers

** Rumpke will remove refrigerant appliances and properly tag them on collection day.

Rumpke requires residents to call 24-hours in advance to schedule a freon appliance pick-up on the day of their service.

*** All upholstered furniture must be wrapped and sealed in plastic prior to collection day

Education and Community Outreach

In addition to excellent service, another reason Rumpke stands out among the rest is that we go a step further to help educate our partner communities and customers about waste reduction, reuse and effective recycling.

Our education opportunities include:

FACILITY TOURS

During a **landfill tour**, guests travel around the site with a trained guide who shows them what happens after garbage leaves their homes. This includes a brief company history, information about various trucks, methane gas removal and recovery, leachate (wastewater) collection, surface water controls, recycling facts, standard landfill closure processes, future landfill property use and more.

During a **recycling tour**, guests learn about technology used at our state-of-the-art facilities and see first-hand how recyclables are sorted and separated. The tour also includes an explanation of acceptable and unacceptable materials, what happens to the material after it's separated and an opportunity for questions and discussion.

Signing up for a tour is as easy as completing our online form:

www.rumpke.com/contact-us/schedule-facility-tour

ONSITE PRESENTATIONS

If a tour is not practical, Rumpke is happy to bring our educational resources to you. A Rumpke Education Specialist can visit your school, community organization, church, or other group to discuss our operations. Our presentations focus on what happens to your waste and recycling after it leaves the curb and helpful waste reduction tips. Presentations can be tailored to meet your group's needs and time allowance.

EVENT BOOTHS

Our onsite event booth allows us to engage with members of the community who are curious to learn more about effective waste management with games and information. Rumpke would be happy to host a booth at your next fair, festival or other public event.

VIDEOS

Rumpke also offers several videos which share our history, our processes and procedures and our philosophy regarding the development and management of exceptional waste and recycling solutions.

SCHOLARSHIPS

To further enhance Rumpke's commitment to education, we also offer scholarships to graduating high school seniors from designated communities in our service areas. Students pursuing a two-year or four-year degree from an accredited institution are eligible.

Our Education and Community Relations representatives carry the message of the company to our communities and customers. They are professional communicators who are dedicated to protecting and preserving the environment. Their experience helps them share our educational material effectively to people of all ages so that they will better understand the role we all play in effective waste management.

RUMPKE

Rumpke Waste & Recycling

Rumpke, A Recycling Leader

RECYCLING BEFORE IT WAS POPULAR

Rumpke has been recycling since the 1930s when company founders pulled rags, metals and glass from the waste stream for reuse and recycling. In 1989, Rumpke began offering curbside collection for customers and has steadily expanded that effort to become a recycling leader in the Midwest.

Recycling for All

Today, Rumpke brings reliable recycling services to millions of residents and businesses throughout Ohio, Kentucky and Indiana. Rumpke provides municipal services to more than 500 communities. Cities like Columbus, Cincinnati, Cleveland, Tiffin, North Royalton, Hamilton, Middletown and Covington count on Rumpke to provide their homeowners with single stream curbside recycling services. And organizations like P&G, the Cincinnati Reds, Miami University, University of Dayton, Kings Island and many others count on Rumpke for commercial recycling services.

An Investment Worth Making

Rumpke continues to invest in recycling. In 2023, the company invested more than \$100 million to ensure our plants have the best available technology. Annually, Rumpke's 14 recycling facilities process more than 1 billion pounds of material.

- | | | | |
|---------------------|----------------------|-------------------------|-------------------------------|
| 1. St. Bernard, OH | 5. Chillicothe, OH | 9. Louisville, KY | 13. Fayette County, KY |
| 2. Columbus, OH | 6. Mansfield, OH | 10. Medina, IN | 14. Akron, OH |
| 3. Dayton, OH | 7. Elmwood Place, OH | 11. Medina County, OH | |
| 4. Dayton, OH—Glass | 8. New Miami, OH | 12. Kirtland County, IN | *OPERATED RECYCLING FACILITY* |

Putting Glass to Good Use

Did you know glass makes up about 14% of the curbside stream of material? While others have discontinued glass recycling programs, Rumpke innovated new technology to convert broken glass into a useable raw material for the home insulation and glass container industries. Today, Rumpke is the only hauler in the country to operate its own glass processing facility. Each month, the glass recycling center processes between 2,500-4,000 tons of glass, keeping it out of landfills and putting it to good use.

RUMPKE ACCEPTS:

RUMPKE RECYCLING PROCESSES

TIPPING FLOOR

Trucks tip loads of recyclable material. Front end loaders and grapple crane load the drum feeders.

DRUM FEEDER

Regulates the flow of material onto the conveyor belts traveling to the pre-sort station.

PRE-SORT STATION

Employees remove plastic bags, scrap metal, clothing, batteries, and other unacceptable material.

CARDBOARD SCREENER

Cardboard is separated when it travels over rotating discs and moves on while containers fall through openings and will be separated later in the process.

SCALPING MACHINE

Begins the process of separating paper from containers.

GLASS BREAKER

Glass bottles and jars are broken. The pieces fall through opening onto a separate belt and will be transported to Rumpke's Dayton glass plant.

PAPER SCREENER

Paper travels over rotating discs and containers fall through openings.

OPTICAL SCANNER

Project a beam of near infrared light onto a conveyor. If the item is something it's supposed to identify, it sends a message to a computer triggering a blast of air to divert the item onto another conveyor.

OVERHEAD MAGNET

Attracts the steel cans and separates them from the other material.

EDDY CURRENT

Rare earth magnet uses reverse polarity to repel aluminum cans causing them to jump onto a separate belt.

AI ROBOTS

Uses artificial intelligence to recover specified materials.

BALER

Compacts material into bales and secures them with wire.

RUMPKE

Landfills Done Right

KEEPING NEIGHBORHOODS CLEAN & GREEN SINCE 1932

Rumpke Waste & Recycling is one of the country's largest waste and recycling companies. Our award-winning, family-owned firm services millions of waste and recycling customers throughout four states. Let us customize a program to meet your service, financial and sustainability objectives.

FROM THE BEGINNING...

Rumpke has operated landfills since 1945. In fact, we've perfected landfill design, construction and strategic planning. Today, Rumpke operates 16 landfills, including one of the largest municipal solid waste landfills in the country. All of our landfills are engineered with the best available technology and managed with the right expertise to ensure compliance, customer efficiency and maximum environmental protection.

CUSTOMERS COME FIRST

Every employee at Rumpke, knows customers come first. Rumpke's customer response team and local personnel are available to answer questions and facilitate service requests quickly and easily. While behind the scenes, Rumpke's customer experience team is always working to assure quality interactions on the phone, online or in person.

A COMMITMENT TO COMPLIANCE

Our landfills are sanitary sites, built according to Federal Sub-Title D regulations, with protective liners placed under and on top of the trash. Storm water, leachate (water that has come into contact with waste) and air quality monitoring are standard parts of Rumpke operations.

Rumpke has the systems in place to ensure compliance and safety. Rumpke's engineers, consultants and safety experts don't just meet regulations, we exceed them. Our team proactively inspects sites to ensure consistency and exceed regulator expectations. If you're not familiar with Rumpke, check out our compliance records. They speak for themselves.

Transfer Station Management Done Right

When it comes to complete solid waste solutions and facility management, Rumpke Waste & Recycling has you covered. Give the burden of transfer station management to industry experts, and help your facility reach its highest potential.

Rumpke is a master at responsible and environmentally sound management at waste facilities. After all, we've been managing transfer stations for decades. That's why several local governments throughout Ohio, Kentucky and Indiana have contracted with Rumpke to manage teams, operations and facilities using the best management practices to achieve, maintain or even exceed environmental compliance, in an efficient and cost-effective manner.

If profitability is your objective, Rumpke's customer care team is top notch, driving loyal repeat business, boosting your bottom line and making your facility a valuable asset to your community. And best yet, we can prove our progress with customized reporting for our customers.

Our record of service and compliance speaks for itself. Here's a list of transfer stations Rumpke currently owns or operates.

Landfill Waste Restriction Reminder

Thank you for choosing Rumpke Waste & Recycling. We are pleased to be your service provider. Since our early beginnings, more than 90 years ago, our mission has not only been to provide the best hauling, waste and recycling services possible, but also to do so with safety, environmental protection and compliance in mind.

To reach this objective, we are constantly cooperating with local, state and federal regulators to adhere to any adjustments to laws and regulations and to educate our clients to assure their compliance as well.

As a useful reminder, we have included below a complete list of landfill restrictions and waste generator responsibilities. Please review them once again and keep them in mind. As always, you may call us with specific questions. Rumpke is glad to assist with all of your waste solution needs.

RUMPKE LANDFILL WASTE RESTRICTIONS

Applicable Federal, State and Local laws require that you (the waste generator) dispose of your waste materials appropriately, and you will remain responsible for these materials if they are not disposed of properly. Municipal Solid Waste Landfills, such as Rumpke's are not permitted to accept and dispose of certain types of materials, including hazardous wastes.

None of the following materials may be sent to Rumpke for disposal:

- Hazardous wastes
- Liquids (may be solidified, but require prior approval)
- Corrosive, flammable, reactive, explosive, toxic, or otherwise hazardous materials
- All batteries
- Whole tires
- Medical/infectious/biohazard waste
- Any listed wastes in Title 40 Code of Federal Regulations part 261
- PCB waste 50 ppm or above
- Appliances containing refrigerant
- Pesticides, herbicides, and fertilizers
- Radioactive waste
- Fluorescent lamps and ballasts

Other types of materials may or may not be appropriate for disposal in a Municipal Solid Waste Landfill, depending on their specific characteristics. The following material types require prior approval by Rumpke.

- Manufacturing/process waste—sludge, sand, dust, filters, shot blast, various paint wastes
- Rags, absorbent, and other materials impacted with paint, cleaners, or chemicals
- Spill cleanup materials
- Obsolete chemicals/products
- Dirt/soil and contaminated dirt/soil
- Electronics including computers and monitors
- Solidified liquids
- Empty containers including drums, tanks, 5-gallon pails, aerosol cans
- PCB waste lower than 50 ppm
- Asbestos
- Appliances with refrigerant removed

3. This license is conditional upon payment of the applicable fee to the Board of Health or the Director, as appropriate, within 30 days after issuance.
4. By applying for and accepting this license, the licensee specifically consents in advance and agrees to allow the Director, the Health District, or an authorized representative, to enter upon the licensee's premises at any reasonable time during the construction and/or operation of the facility for the purpose of inspecting, conducting tests, collecting samples, or examining records or reports pertaining to construction, modification, installation, or operation of the facility. The licensee hereby acknowledges and agrees that any and all rights of access granted herein shall not be deemed to be unreasonable or unlawful under Ohio Revised Code Sec. 3734.07. The licensee, its agents, employees, and all others in active concert with said licensee shall maintain and operate the facility to which the license pertains in a sanitary manner so as not to create a nuisance, cause or contribute to water pollution, or create a health hazard. This license shall not be construed to constitute a defense to any civil or criminal action brought by the State of Ohio or any duly authorized representative thereof to enforce the provisions of Chapters 3734, 3767, 6111, or 3704 of the Ohio Revised Code, or regulations issued thereunder. Issuance of this license does not relieve the licensee of the duty to comply with all applicable federal, state, and local laws, regulations and ordinances.

Solid Waste Facility License Municipal Solid Waste Landfill

License Expires December 31, 2026

Facility: Rumpke of Northern Ohio Inc Noble Road Landfill CID: 36417 170 Noble Rd E Shiloh, OH 44878	Licensee: Rumpke of Northern Ohio, Inc. 3990 Generation Drive Cincinnati, OH 45251
--	---

This license has been issued in accordance with the requirements of state law, is subject to revocation or suspension for cause, and is not transferable without the consent of the approved Board of Health and the Director of the Ohio Environmental Protection Agency.

Licensing Authority: Richland Public Health

Conditions of Licensure:

The Licensee hereunder, its agents, employees, and all others in active concert with said licensee, including the facility owner and operator, shall be subject to and shall comply with the following conditions of this license:

1. All applicable requirements of Ohio Revised Code Chapters 3734, 3767, 6111, and 3704 and rules adopted thereunder.
2. Permits-to-install, plans, operational reports, other authorizing documents, and administrative and judicial orders applicable to this facility and as approved by the Director of the Ohio Environmental Protection Agency.
3. This license is conditional upon payment of the applicable fee to the Board of Health or the Director, as appropriate, within 30 days after issuance.
4. By applying for and accepting this license, the licensee specifically consents in advance and agrees to allow the Director, the Health District, or an authorized representative, to enter upon the licensee's premises at any reasonable time during the construction and/or operation of the facility for the purpose of inspecting, conducting tests, collecting samples, or examining records or reports pertaining to construction, modification, installation, or operation of the facility. The licensee hereby acknowledges and agrees that any and all rights of access granted herein shall not be deemed to be unreasonable or unlawful under Ohio Revised Code Sec. 3734.07. The licensee, its agents, employees, and all others in active concert with said licensee shall maintain and operate the facility to which the license pertains in a sanitary manner so as not to create a nuisance, cause or contribute to water pollution, or create a health hazard. This license shall not be construed to constitute a defense to any civil or criminal action brought by the State of Ohio or any duly authorized representative thereof to enforce the provisions of Chapters 3734, 3767, 6111, or 3704 of the Ohio Revised Code, or regulations issued thereunder. Issuance of this license does not relieve the licensee of the duty to comply with all applicable federal, state, and local laws, regulations and ordinances.

Rumpke Trucks

Our Residential Fleet on the Street

Rumpke has over 2,300 vehicles to service our customers. Each vehicle serves a specific purpose. Learn more about each type of truck:

REAR LOAD TRUCKS

Use: Residential collection

Collection Style: Driver loads material into the back of the truck

Gross Vehicle Weight (typical): 62,000 pounds

Empty Weight (typical): 35,000 pounds

Capacity: 400-600 households for trash or 800-1,000 households for recycling

RESIDENTIAL FRONT LOAD TRUCKS

Use: Residential collection, specifically used in areas with cart programs

Collection Style: Arms on the front of the truck pick up containers and load material into the truck.

Gross Vehicle Weight (typical): 62,000 pounds

Empty Weight (typical): 40,000 pounds

Capacity: 600-800 households for trash or 800-1,000 households for recycling

AUTOMATED TRUCKS

Use: Residential collection

Collection Style: Mechanical arm on the side of trucks pick up trash containers and load into the top of truck.

Gross Vehicle Weight (typical): 62,000 pounds

Empty Weight (typical): 37,000 pounds

Capacity: 600-800 households for trash or 800-1,000 households for recycling

CNG TRUCKS

Use: Residential collection

Collection Style: Driver loads material into the back of the truck

Gross Vehicle Weight (typical): 62,000 pounds

Empty Weight (typical): 37,000 pounds

Capacity: 600-800 households for trash
